REPORTS

SUNDAY SCHOOL

The Bible Teaching Program of our churches stands at the forefront of our work for it is charged with the responsibility of reaching all prospects for the church and teaching them the Biblical Revelation. This charges the Bible Teaching Program with the major responsibility for evangelizing and leading each member to do the functions of the church. This means a strong and growing church.

Your Associational Bible Teaching Organization is a service group that seeks to help the churches have the finest Bible Teaching Program that it is possible for them to have. Last year there were two mass meetings held and they were well attended. It seems that most churches are off to a good start in the new programs for the 70's. There is still much work that needs to be done. Workers need to be trained and an intensive outreach effort is needed to reach the unchurched and all those not in a Bible Study Class. There is still a need for better organizations in the local church.

Your Associational and State Sunday School Organizations are anxious to help you in any way they can. Call on them as you have needs.

Respectfully submitted, Alfred E. Staley

MISSIONS COMMITTEE

This year has seen many more mission activities being added in our Association. Churches have conducted or sponsored services at the Yanceyville Baptist Home, the Maple Heights Rest Home, and have joined in the ministry to the men and boys at our prison camp.

The Mission Committee offers the following recommendation: That the Association approve the request for $1,500 from State Missions for our Associational Missions Program next year.

Respectfully submitted, Fred J. Braswell

WOMAN'S MISSIONARY UNION

The Woman's Missionary Union has made much progress in 1970-71. There has been changes but we feel that our WMU has been better because the leaders have been trained, the women are dedicated, and we have had the support of the entire association. There has been good participation in every activity. The Acteens had a "Sit-In, Sing Out" rally that gained recognition in our state paper. Mrs. Janet Braswell led this and we are hoping for even a better rally next year. Then, the Baptist Women held a "Prayer Retreat" at the Roxboro Baptist Church with Mrs. Debbie Baughn leading. A very good program was given and all that attended were spiritually blessed.

Our special offerings for missions have been very good and this has helped pay on the debt of our camp site (Mundo Vista). We are hoping that within the next few years this debt can be retired. Pray that we may be made more aware of this need. There are so many young people that have the privilege of going to a Christian camp for the summer.

We also had two missionaries to speak at our Associational Meetings. Our own Miss Carol Leigh Humphries was home on furlough and spoke to us, and then we had Mr. Ray Frye to speak at the same meeting. Let's continue to pray for these missionaries that are away from home that God may protect them and use them to further His kingdom.

Our motto "Laborers together with God" is only as true as our vision. Let's look ahead to a better year that God's name might be glorified and souls will be saved by the grace of God to eternal life.

CHURCH TRAINING

The one highlight of the year was the Church Training "M" Night back on the first Monday in December. The program was held at the Westwood Baptist Church with a disappointing attendance of only 55. Thrilling testimonies about the personal meaning of Church Training were given by the host pastor. Rev. Gordon Joyner, also a teenager from Somerset Baptist Church, and then Mr. Dolian Long, a layman from Roxboro Baptist Church. The choir from the host church rendered the music. There is so much more that can be done through the Church Training Department, and I pray that under new leadership many wonderful things will happen.

Respectfully submitted, Stiles H. Ellyson, Jr.

ANNUITY BOARD

Baptist pastors, church staff members and denominational employees during the year 1970 saw the prices of goods increased while the value of the dollar decreased. These participants in the Annuity Board protection program took steps to provide for greater protection in the future for themselves and their families. By increasing their participation to at least ten percent of total salary, they upgraded their financial security.

While participating members and churches were upgrading their standing, the Annuity Board was introducing Good Experience Credit to give benefits to

both active and retired persons over and above the amounts set forth in their certificates. This means an increase of approximately four and a half to five percent.

In addition to the Good Experience Credit each retired person or widow received a "13th Check" for 1970 amounting to 8.33 percent of his annual benefit. This was the fifth consecutive year the "13th Check" has been given.

There are three parts in the Southern Baptist Protection Program: Plan "A" Southern Baptist Protection Plan, based on $400 a year church dues. Plan "B" Age Security Plan, single life benefit based on $100 annual dues. Plan "C" Variable Benefit Plan. Full details of these plans may be obtained from the state convention office in Raleigh, or the Annuity Board in Dallas, Texas.

As of July 1, 1971 Beulah Association had 25 employer churches and one denominational agency (Beulah Association) and 28 participating members. We strongly urge the four non-participating churches and pastors to seriously consider active participation in the Southern Baptist Protection Program.

AMERICAN BIBLE SOCIETY

One World . . One Book. World-wide Bible Reading: November 21-28.

The New Testament (Good News for Modern Man) presented to Southern Baptist Convention this year the 25 millionth copy. The need for Scriptures today is overwhelming. This is the cry for Scriptures in languages that can be readily understood and at prices men can afford to pay. For example, the Southern Baptist leader Pitanon Boonkrong, recently appointed Bible Society Executive Secretary in Thailand, serves his nation with an annual distribution of more than 2 million Scriptures (including a grant to Buddhists to learn of Christ Jesus).

The annual budget of the American Bible Society reveals that approximately 90% of our gifts provides services to the Bible cost at home and abroad. National Bible Week will afford your church an excellent opportunity to make a contribution to the Bible Society.

Also, the American Bible Society made a contribution of 30 Bibles to the "Department of Correction" North Carolina Prison Camp, Roxboro, North Carolina.

CHRISTIAN LITERATURE

The variety of the literature of the Bible Study and Training Programs continues to meet the needs of most of our churches. However, one of the problems is that our literature is not utilized in the best possible way by teachers and leaders. Church leaders can be more effective if they become aware of the resources available. Three new periodicals that churches have found helpful are People, a popular-reading magazine for Christian adults; Search, a journal dealing with all aspects of Church life; and The Quarterly Review, a magazine featuring statistics of Convention Churches.

Controversy continued over the Broadman Bible Commentary during the past year as objections were raised to theological viewpoints expressed in some of the writings. It appears that this literary project may discourage some of the scholars in our Baptist Convention. Although this project may not seem too significant for us on the Associational level, let us continue to pray and to express our opinions to the end that our Christian literature may reflect our Baptist ideals without subduing the individual's freedom of expression and viewpoint.

Respectfully submitted, Mrs. Deborah Baughn

HOMES FOR THE AGING

Our North Carolina Baptist Homes for the Aging celebrated their 20th anniversary in March of this year. During these two decades, the story of our Homes has been one of faith and the abundant blessings of God upon this special ministry to older people. God has brought us from one Home, and one resident in 1951, to five Homes and a Nursing Care Unit, with total accommodations for 160 residents and 76 patients. Two of these Homes, Resthaven and the Hayes Home, and the Nursing Care Unit are located in Winston-Salem, and the other three Homes are located in Albemarle, Hamilton, and Yanceyville. In these Homes, our residents are loved, and we feel that there is no greater security that they could have and no better care that they could receive.

The past year has been one of the best ever, and we are rejoicing in the blessings that have come from God through you as Baptist people. Support for the Homes from the churches, through the Cooperative Program and the Special Day Offering, has been most encouraging. For the last three years, the Homes have had an alarming deficit and have operated in the red. We have not yet reached the point of operating in the black, but with hopeful optimism, we are approaching this time. The deepened concern of our Baptist People and the increase in gifts have been strong contributing factors to the success of the past year.

At least 80% of the people who live in our Baptist Homes are financially needy persons and benefit directly from the love gifts of North Carolina Baptists. They simply could not be maintained, and the Homes could not be operated without the Special Offering, designated gifts from the churches, and the Cooperative Program. We would urge our Baptist people, therefore, to remember how dependent these dear older people are on us and would challenge them to give more liberally than ever and to see that our gifts are a real life-line in the on-going of this ministry.

Of unusual interest during the past year has been the construction of the new addition to the Nursing Care Unit in Winston-Salem. It is anticipated that this new facility will be ready for occupancy by September 1. It will make available 20 additional beds and bring the total capacity of the Nursing Care Unit to 76. This addition was made possible by the generous challenge gift of $80,000 from Judge and Mrs. William York, of Greensboro. The trustees accepted the challenge and raised an additional $80,000.

Pray for our Baptist Homes for the Aging and remember that any ministry to an older person in the name of Christ is a direct ministry to Him.

Respectfully submitted, Horace Murray

CHRISTIAN ACTION

Have you seen any recent evidence of the power of God at work through the lives of believers? If so, can you tell about a specific instance in a brief descriptive statement? If not, what reasons would you give for lack of such evidence?

I believe there are many: for me, in the thirty-three churches in the Beulah Baptist Association we baptized 226 new converts last year. This is not enough by no means, but this is evidence that God is still in action, and that we the people of God are still those in action with God to bring about His Kingdom.

Alcohol is still a major problem in the world today, and has left a bloody record of 1,700,000 victims in the last 70 years. 1968, there were 55,500 people killed in America alone on highways. One-half of them in alcohol -related accidents. This means that 27,250 people died for nothing.

In Person County the Christian Action League purchased 125 copies of Marse Grant's book, "Whiskey at the Wheel," and donated them to the Roxboro Police Department, Person County Sheriff's Department, Fire Department, Person Memorial Hospital, Person Public Library, North Carolina Department of Correction, Person Board of Education, State Highway Patrol, Rescue Squad and others.

Christians need to check the labels before we make any statement about Christian Action. There are many groups wearing labels set apart: Jews, Greek Orthodox, Unitarian, Assembly of God, Buddhist, Muslim, Methodist, Baptist, and there are some 250 separate groups in the United States. Therefore, check the label before we say this is Christian Action.

FOUNDATION

The North Carolina Baptist Foundation, Inc., was organized in 1920. It has a fifteen-member Board of Directors elected by the Baptist State Convention. The policies and procedures of the Foundation and the support of the same is in the hands of the Baptist State Convention of North Carolina. In other words, this is your Foundation, and you should know more about its services and activities.

During the past twelve months, the Foundation has had a gradual growth, in that several individuals and churches have made contracts with the Foundation to accomplish specific purposes such as: supporting an agency or institution of the Baptist State Convention, the Southern Baptist Convention, and world-wide objects. In one or two instances, individuals through their wills have added to existing memorials that were established during the lifetime of the donor. The Foundation stands ready to render service to individuals and churches as their requests are made known. We wish to serve you.

CHRISTIAN EDUCATION

Throughout America, more colleges join the rank of the financially distressed every day. Some are at the crisis stage. Fortunately, none of our North Carolina Baptist Schools is in deep financial difficulty at this time. But they do feel pressures of inflation, need for student financial aid, and decreased contributions from individuals.

Baptists in North Carolina have a great investment and opportunity in our seven colleges across this state. This past May, one college, Gardner-Webb, granted its first degrees as a Four-Year College. This makes four Senior Colleges and three Junior Colleges. Last year they had a combined enrollment of 12,627 students. Your colleges continue to be grateful for the vital financial support which comes through the Cooperative Program. During the past year, $1,843,600 was budgeted for these colleges through our Cooperative Program. Although this represents only a small portion of their operating budgets, it is a much-needed supply.

The Council on Christian Higher Education, working with these colleges, is constantly seeking ways to use students in the work of Christ. One such opportunity is the Baptist Youth Corps which just completed its third successful summer of operation. This is a joint venture involving the Baptist Colleges, the Church Training Department, and the local church. For a small investment of money a church can have the benefit of a summer worker from one of our colleges who has been carefully screened and trained for assistance in the church program during the summer.

Our Association can continue to have a part in this Christian Education ministry as we continue to increase our gifts through the Baptist College Day special offering, as well as the Cooperative Program gifts. May this be our desire in the days ahead.

EVANGELISM

Beulah Baptist Association Conference on Evangelism met Tuesday, February 9, at the Mill Creek Baptist Church. We had presented to us a very good challenging program on evangelism. Speakers were Rev. Dean Baughn, Rev. Alfred Staley and your Chairman of Evangelism.

State-Wide Conference on Evangelism was held February 1-2 in the War Memorial Auditorium in Greensboro, N. C. Rev. William Lamb, State Director of Evangelism, planned a good program, but perhaps the greatest event that took place during the conference in Greensboro was Youth Night. In closing the two days conference Mr. Lamb planned a Youth Rally. And all Christians need to thank God for the renewed interest among youth in evangelism. This was evident during the youth night when almost 20,000 youth and adults overflowed the Greensboro Coliseum and War Memorial Auditorium. There were 1,519 decisions made by these youth. Also many youth in churches across the state are involved in witnessing for Christ in unique ways.

SBC membership tops 11.6 million. Nashville-Church membership in the Southern Baptist Convention increased to 11,629,880 during 1970. This is an increase of 140,267 over 1969 total membership.

Beulah Baptist Association membership stands at 8,634 as of October 1, 1970. Beulah Baptist baptized 226 during the year of 1970.

1972 Conference on Evangelism, Beulah Association will be held March 20-21. Time: 7-9 p.m., meeting with the Westwood Baptist Church.

Respecfully submitted, John M. Wesley

BIBLICAL RECORDER

At a time when some religious publications are losing circulation, it is good to report that the Biblical Recorder has passed 93,000, the highest circulation in its 138-year history. This circulation is a tribute to the Baptists of North Carolina who support the paper so faithfully.

Even though inflation continues to create problems, you can receive the RECORDER under the Church Budget Plan for the same price it was in 1960--only $2.00 a year. It is not known how long this reasonable price can be made available and that is all the more reason churches should enlist immediately.

The RECORDER likes to report all the good news it can about Baptists. The paper is proud to be the instrument that communicates to the world what our denomination is doing. When evil needs to be exposed, however, the RECORDER does not shun it. This was evidenced again in the legislature this year as the liquor forces managed only small gains. And these may turn out to be unconstitutional. We are referring to the local option liquor by the drink elections in Moore and Mecklenburg Counties. The RECORDER stresses Christian citizenship. Perhaps this is one reason the paper continues to reach more and more people -- it stands for something.

The RECORDER appreciates every reader and supporter. The cost is reasonable. You can receive the RECORDER under the Church Budget Plan for only 4¢ a week -- half the cost of mailing a letter. There is no more economical way to have an informed membership than by sending the RECORDER to every family.

NORTH CAROLINA BAPTIST HOSPITAL

Your Baptist Hospital admitted 17,557 persons in 1970 for a total of 150,174 days of care. In addition, there were 51,563 visits to outpatient clinics, including 17,241 to the Emergency Room. About 90% of these were "referral" patients--that is, patients who were referred to our hospital by their local physicians because they needed the specialized medical care our Hospital is staffed and equipped to offer.

Our Hospital, from the day of its beginning, has provided good medical care for our people, including care for persons who cannot pay the cost. There has been great progress in medicine and tremendous increase in hospital costs, and these have made some policy changes necessary. The basic policy of providing care--now the highly specialized care for the more difficult cases--for those who cannot pay has not changed. This Christian ministry is at the heart of the work of our Baptist Hospital.

The financial situation of the Hospital is viewed by the administration with "cautious optimism." The operating deficit has been reduced and expenditures are being kept more nearly in line with income. The entire staff is cooperating in an effort to maintain a proper balance between sound financial policies and a spirit of Christian compassion.

The Medical Center Development Program is progressing on schedule. The new patient Tower is expected to be ready for partial occupancy by late 1972. The 14-bed coronary care unit will open about September, 1971. A statewide Development Campaign, initiated with pledges totaling $177,182 from employees of the Medical Center, is moving toward successful completion.

Baptist Hospital offers a ministry of healing in Christ's name to all who need it. It seeks to fulfill the same purpose in North Carolina that a Baptist Hospital operated by our Foreign Mission Board seeks to fulfill in Korea or Nigeria. It ought to be supported by missionary-minded Baptists with the same enthusiasm and for the same reason we support every other phase of our denomination's World Mission Program. This is missions, too.

Respectfully submitted, Robert Earl Webb

ASSOCIATIONAL MISSIONS

I. Voluntary Cooperation is a Baptist Distinctive.
   1. Other major denominations or religious bodies:
      (1) Have their pope, bishop, presbyter, etc., that has authority to send or hand down orders.
      (2) Most other bodies are organization structured so that one body has authority over another.
      (3) Other groups do not understand how we work together and get so much accomplished on the principle of voluntary cooperation.
   2. Baptist Bodies relationship with one another.
      (1) Each and every unit of Baptist life is autonomous free and independent -
      (2) Organizationally we are independent, but spiritually, and in other ways, we recognize our interdependence upon one another.
      (3) Baptist groups voluntarily cooperate with one another for their mutual benefit and for the Cause of Christ--to meet the needs of the world.

II. Brief Sketch of Baptist Associational Cooperation:
   1. The principle of Cooperation is found in the New Testament--
      (1) They worked together for their mutual benefit.
      (2) They cooperated for the purpose of helping others - example: Gentiles
   2. The Association was the first unit of cooperation beyond the local church.
   3. It was in the associational meetings that State, Home, and Foreign Missions was first supported and promoted - even before there was a Southern Baptist Convention.
   4. The Assoc. supported Associational Missionaries that went about starting new missions stations and New Churches.
   5. Associations took the lead in education - establishing schools, academies, colleges.
   6. In recent years, the Association is being given again its right place in our mission program. It is now considered the basis of all our mission program. Our leaders are working in and through the Association in promoting their work or organization or institution.

III. Why Cooperation is essential in the Association?
   1. It is essential to present a unified front to combat the forces of evil and to promote the good.
   2. Cooperation is the outward evidence that we are united in "Christ" - that we are part of His body - The Church.
   3. It is essential that churches cooperate so that the stronger churches can help the weaker ones.
   4. It is essential that churches cooperate so that even the small or weak churches can help one another.
   5. Cooperation is essential so that a larger program can be supported and promoted by pooling their resources together.

IV. The results or fruits of associational cooperation.
   1. The local churches have been strengthened:
      (1) By this larger fellowship -
      (2) By receiving information from one another and through the association.
      (3) By receiving training for its leaders.
      (4) By having opportunities for service to others.
   2. Individual Christians have been benefited.
      (1) Their vision has been broadened and lifted.
      (2) They have been inspired and challenged.
      (3) They have grown by active participation.
      (4) They have become more missionary minded and spiritual.

3. New Missions and Churches have been started.
   (1) Every church that exists today is evidence of cooperation of Christians and Churches.
   (2) Starting new work is one of the primary functions of associational missions.
   (3) The association makes surveys, determines the needs and enlists sponsoring churches.
4. Our Denomination has a greater mission outreach because of the work of Associational Missions.
   (1) Missions were first supported and promoted in the Associational Annual Meetings.
   (2) The Association promotes the entire program of the Convention.
   (3) The Denominational organizations, agencies, institutions, commissions, etc., use the Association as a channel of communication to the churches and Christians.
5. The Association has helped to unify our churches:
   (1) It has helped them to have doctrinal unity.
   (2) Unite them in a common task of action.
   (3) Unite them into a larger fellowship.
   (4) Unite them to fight or oppose their common enemies.
6. The Associational Missions has helped the churches in their leadership needs:
   (1) In the examination and ordination of ministers.
   (2) In the teaching - informing - and training of ministers and other church leaders.
   (3) Has provided leadership to the churches for special needs.
   (4) Has helped in the securing of leaders - pastors.
   (5) Has brought denominational leaders into the association to inform of denominational program and needs.

CHILDREN'S HOMES

Let a graduating senior express what it is like to live in one of our Baptist Children's Homes: "I really do not know how to write about a place which has been so fine, and which has given me the opportunity to worship, work, and learn; not only where we stand in moments of comfort and convenience, but where we stand in moments of challenge and moments of controversy. After all

these years, one finally learns that certain values and practices are good and sound and help children to feel secure and happy."

This statement could be made by almost any senior regarding his home and community, for a child in the care of the Baptist Children's Homes has basically the same attitudes and values as other children. He differs from other children only in the tragic experiences which have made it necessary for him to live away from his family. For these children, it is our mission to provide loving care in the spirit of Jesus Christ. We want to work in harmony with what we sense God is doing in the life of each child, enabling the child to tap his own inner resources and grow to responsible adulthood.

The pursuit of this basic goal has led the Children's Homes to develop a variety of services, all family centered. Some families need resident care for their children and for these we have group homes and foster homes. Some families can remain together with outside help and for these we have family services in the form of counseling or financial assistance. For the unmarried girl who is pregnant, we offer maternity care. For the graduate in our care, we assist in higher education. For churches involved in day care, we provide a demonstration program and consultation service. We welcome individual inquiries regarding any of these services as the need may arise.

Our services are made available through strategically located facilities throughout North Carolina: in the East at Kinston, Pembroke, Fayetteville and Raleigh; in the Piedmont at Chapel Hill, Thomasville and Charlotte; in the West at Asheville and Waynesville.

Staff members and children of the Baptist Children's Homes are grateful for the harmonious relationship we have shared with North Carolina Baptists. The churches have expressed their confidence and support through increased Cooperative Program gifts and a 1970 Thanksgiving Offering of $380,000. Individuals continue to give generously and to become involved in our varied ministries. We accept this support as an investment in all that we are doing and we pledge ourselves to translate your investment into quality Christian child care.

MISSIONS COMMITTEE

This year has seen many mission activities being entered into in our Association. Churches have conducted or sponsored services at the Yanceyville Baptist Home, the Maple Heights Rest Home, and to the men and boys in our prison camp.

Also some work has begun in the area of the housing projects, sponsored and carried out by the women of the Association. These services are interracial and for men and women.

Efforts are being made to get a lakeside ministry set up especially for campers in the Hyco Park Area.

The Mission Committee offers the following recommendation: That the Association approve the request for $1,500 from State Missions for our Associational Missions Program next year.

Respectfully submitted, Fred Braswell

EVANGELISM

In the department of Evangelism we need the help of every Christian in America. Hostile spiritual forces will bring to bear evil upon the Gospel of Jesus Christ in every possible way. The Scripture says, "For we wrestle not against flesh and blood; but against principalities, against power, against the rulers of darkness of this world, against spiritual wickedness in high places." (Eph. 6:12). We need prayer. When the followers of Jesus were powerless against the forces of evil, Jesus said, "This kind of help can come forth by nothing, but by prayer and fasting." (Mark 9:29). If we ever needed prayer for an evangelistic effort, it is now.

We held our Evangelistic Clinic in the Beulah Baptist Association, February 22, 1972 at the Roxboro Baptist Church. There were about 300 in attendance. It was great! Rev. William Lamb, Director of Evangelism in North Carolina led one group in "The Ministry of Evangelism". Mr. Nathan C. Brooks, Jr. led another group, "On the Job and Fellowship Evangelism"; Rev. Charles Carter led a third group in "Outreach and Visitation Evangelism; and Rev. Jimmy Hinson led a fourth group in "Youth Evangelism".

We also have plans for a "Lay School of Evangelism" in our association February 26-March 1, 1973. We are asking every pastor and every church to cooperate with the Department of Evangelism and help make this one of the most rewarding experiences we have ever known.

Respectfully submitted, John M. Wesley

STEWARDSHIP

Despite the fact that the Cooperative Program has been a vital part of Southern Baptist life since 1925, many churches still do not see the need of supporting the program. All of us, whether we support the program or not receive many benefits from it. Our associational, state, and denominational officers receive much training and help from seminars and conferences that are supported by the Cooperative Program. It is very likely that the pastor of your church received much of his education from one of the seminaries that are supported by this program. The Cooperative Program is an important part of our lives as Southern Baptists, and we should support it wholeheartedly.

Christ gave the command, "Go into every nation teaching and Baptizing! Since not very many of us feel that the Lord wants us to give up our homes and jobs to go to the mission field, then we must find some other way to be obedient to His command. Supporting the Cooperative Program will help send missionaries to serve where needed, both at home and abroad. Then Jesus said unto His disciples, "The harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into His harvest. " There is a great demand for more missionaries, but if we cannot go, then we must support those who do through the Cooperative Program.

We are thankful that 85% of our churches had contributed to the Cooperative Program as of June 30, 1972. But we pray that the Lord will lead every church to see the need of supporting the Convention by contributing to the Cooperative Program. We urge each of you as Christians to encourage your church to give more. Let's all give generously to the work of our Lord.

Respectfully submitted, Robert M. Richardson

BROTHERHOOD

One of the highlights of Brotherhood work in the Southern Baptist Convention during the past year was the selection of Glendon McCullough as Executive Secretary of the Brotherhood Commission. This man seems to be bringing fresh ideas and out-spoken leadership to this men's mission organization which has tended to be too inactive. If local church leadership will become involved in keeping in touch with national Brotherhood work and suggestions of the Brotherhood literature, then our churches will see some progress in local Brotherhood work. The Baptist Men's Journal is becoming a monthly publication and is good reading as well as helpful in giving information.

On the Associational level, the primary work of the Brotherhood this year was to sponsor a R. A. Track Meet in the Spring. This event involved about 85 men and boys from seven different churches. Bethany won the team championship. The Association then sent 43 boys and 12 men to the State Track Meet at Gardner-Webb College, and we were proud to have 3 first place finishers, 2 second place finishers, and 1 third place finisher. One of the great purposes of Brotherhood work is to bring Crusaders, Pioneers, and Baptist Men together to learn, to fellowship, to play, and to help other. We hope that athletics and athletes dedicated to Christ can help do this job.

The commission of Christ still stands as the Brotherhood goal.

BAPTIST HOSPITAL

In May of 1923 the Baptist Hospital began its ministry as "A Missionary Enterprise of the Baptist State Convention". The distinctiveness of Baptist Hospital's ministry lies not alone in its care for charity patients, but also in the type of service it renders to all its patients, and to many other people throughout our state and nation and around the world.

As an academic Medical Center it is engaged in research and in educatio as well as direct patient care. The ministry through research is far-reaching since new discoveries in medicine offer new hope to people everywhere. The educational ministry also extends around the world, since graduates of the Bowman Gray School of Medicine serve 88 counties of North Carolina, in 47 states and the District of Columbia, and in 25 different countries. Alumni of the School of Pastoral Care serve in almost every state and in 39 other countri

The quality of direct patient care provided at Baptist Hospital is distinct in at least two respects. First, it is a specialized type of medical care, provided for referral patients who have rare or complicated medical problems. Because of the highly-skilled specialists in almost every area of medicine, and the elaborate equipment available for diagnosis and treatment, we are able to provide the kind of care which is available only in a large medical center. Our is one of only 108 such medical centers in the United States.

In addition to offering this kind of medical expertise, a second distinctive of our patient care is the Christian concern for the total person with all his needs. This spirit is found among physicians, nurses, aides, and other personnel throughout the Center. The Department of Pastoral Care seeks to minister specifically to the spiritual and emotional needs of the patients and their families.

Baptist Hospital does continue to serve patients who cannot pay for their hospital care. Even with the tightening of admission policies and procedures, only one person in twelve months - i.e., one in approximately 17,000 applications for admissions - was not helped. In 1971, charitable allowances amounting to $1,370,000 were issued to patients unable to pay in full. The Mother's Day Offering of $371,000 helped make this charity work possible.

The hospital takes pride in its record of charitable work, but would like to help our Baptist people to understand that there are other aspects of its work also which justify its existence as an institution of our Convention and make it worthy of the support of our churches.

The operating deficit has been eliminated and the hospital is now operatir "in the black".

The new patients tower is being completed and some departments already moved into the lower levels. Complete occupation should take place by January, 1973. One additional unit, a two story unit housing the emergency room and outpatient clinic, is scheduled to be completed by 1973. This will conclude the present development program. The Baptist Hospital will have grown in 50 years from 80 beds to nearly 700 beds.

"A Medical Center ministering with skill and understanding" is not just a letterhead slogan; it is a goal which Baptist Hospital seriously strives to attain.

Respectfully submitted, Ben Gault

HOMES FOR THE AGED

The year 1971-1972 has been another one of progress for the North Carolina Baptist Homes.

During the year, many of our senior citizens have received the best of care both in their health and sickness.

The majority of the residents in our Homes for the Aging, at least four out of five are persons who must be supplemented by the gifts of our Baptist people. The Homes for the Aging receives about 30% of their total income from the Baptist Churches - 20% through Special Offerings received on the 3rd Sunday of September, and 10% through the Cooperative Program.

Of great significance during the past year, in May was the dedication of the York Wing of the Nursing Care Unit. It accomodates 18 additional patients and was completed in November of 1971. Judge and Mrs. William York of Greensboro donated $80,000 on its construction.

Let us remember this vital ministry in our prayers, and visit them as we can, to see what our gifts are accomplishing for the Lord in the lives of those who look for our help and concern.

CHILDREN'S HOMES

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-seven years ago launched a Christian ministry of Child Care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early christian training made possible by North Carolina Baptists and other friends.

While working with children, members of the staff maintained a close working relationship with 1, 880 adults. This figure includes foster parents and parents of the children in day care in the Child Development Center at Mills Home. Through the Child Development program and the Foster Home program adults are helped to be better parents.

There is a need for good christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in christian homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

Services to children and their families are provided throughout North Carolina from three primary centers of operation, namely: Mills Home at Thomasville, Kennedy Home at Kinston and Broyhill Home at Waynesville-Clyde. In addition to the above named group care facilities are regional social work centers at Asheville, Charlotte, Raleigh, Fayetteville and Pembroke which are likewise vital to the network of services.

Sincere appreciation is expressed to all who have in any way helped to support our Child Care ministry. We are indeed grateful for the contribution through the Cooperative Program, the Thanksgiving Offering and Special Gifts.

We covenant with you to face the future as we have in the past; to offer christian nurture to distressed children in the name of the Lord Jesus Christ.

Respectfully submitted, Gordon L. Joyner

CHRISTIAN EDUCATION

Together we seek to provide opportunities for students to seek Truth in an atmosphere of freedom, guided by persons who are committed to God as He is revealed in Jesus Christ. This ideal always exceeds our grasp. However, it is the everpresent goal toward which we strive. The prayers and active support of North Carolina Baptists are necessary ingredients in helping the actual and the ideal to move more clearly together.

The Baptist colleges in North Carolina continue to be grateful for the vital financial support which comes through the Cooperative Program. Outside of student charges, the Cooperative Program is the largest financial source of annual income for our colleges.

One way our churches can help to relieve the financial burden of our schools is through the participation in the Baptist College Scholarship Offering Day, a special offering on Father's Day. Other churches prefer to include this as a regularly budgeted item. We urge more of our churches to enter into this investment in our youth.

HIGHLIGHTS OF THE PAST YEAR

Dr. John Weems became the sixth president of Meredith College.

Gardner-Webb College received accreditation as a four year college by Southern Association of Colleges and Schools.

Seventy young men and women from the seven Baptist Colleges worked in churches across North Carolina through the Baptist Youth Corps program. Their salaries are paid jointly by the colleges and the churches.

The inclusive enrollment of the seven North Carolina Baptist colleges during the past academic year was 16, 609.

BIBLICAL RECORDER

The BIBLICAL RECORDER is nearing the 100, 000 mark in circulation-thanks to churches and individuals all over the state who have helped to bring this about. Once this goal is reached, new ones will be set as part of a continuing effort to put the RECORDER in every Baptist home in North Carolina.

Not only in circulation progress, but in other ways this has been a good year for the RECORDER. During the year, Woodrow W. Hill, well-known pastor and writer, came with the RECORDER as field representative. He will be speaking in Associations, churches, pastors' conferences and in other meetings all over the state. Thus he will join the editor and associate editor in seeking to carry the RECORDER message to every corner of North Carolina.

This was also the year that the RECORDER went to computer. Because of the growing circulation, this had to be done.

As it has in the past, the RECORDER seeks to keep North Carolina Baptists informed on important issues. This is a heavy responsibility and the editor and his staff feel keenly the need of your prayers as they seek to be good stewards to North Carolina Baptists. If your church does not have the RECORDER in the budget, or if it does not have a club at all, please take the leadership in seeing that this situation is corrected in the coming year. The RECORDER will be 140 years old next January 18. Those responsible for its publication each week recommit themselves to this important ministry of the printed word.

Respectfully submitted, J. Marse Grant, Editor

CHRISTIAN LITERATURE

Without printed material our churches would be hardpressed to make progress in the work of Christ. The Bible - our main source of truth, is supplemented by many kinds of Christian literature, much of it printed by our own Broadman Press. Leaflets, tracts, quarterlies, magazines, informationa books, and inspriational books are available to all local churches.

The power of the printed material was demonstrated recently in the statewide issue of more liberal liquor laws, as the Biblical Recorder, our state Baptist paper, had much influence in bringing about the defeat of the legislation. This weekly paper certainly keeps local Baptists updated on Baptists events and critical Christian issues.

The issue of censorship came up once again in the Southern Baptist Convention in relation to the Broadman Bible Commentary, but Christian literature seemed to win a victory as messengers upheld the idea that interpretations will always be different and that no one opinion will satisfy every Christian.

Two periodicals that should be emphasized more in the local churches are the Commission, our foreign mission magazine, and Home Missions, our national mission magazine. You probably will find that Home Missions is one of the most excellent publications of the Baptist Convention and will be of great service to you and your church.

As the knowledge of our world increases in leaps, let us not neglect to feed our spiritual lives by sound Christian literature.

Respectfully submitted, Mrs. Deborah Baughn

CHRISTIAN ACTION

In Mr. Marse Grant's book, "Whiskey at the Wheel", he makes a statement that is somewhat shocking.

1. A Bloody Record: (1,700,000 Victims in this Century).
2. Three ingredients for Trouble: The Car, The Road, The Driver; a Profile of a Potential Killer.

When there are 1,700,000 persons died in vain in America in the past 71 years, don't you think it is high time for America to wake-up? I do, and put a stop to this useless killing.

The news story of Tuesday, August 1, 1972 in the Durham Morning Herald about the "New Liquor Store" on the Roxboro Road is very revealing. The State A.B.C. Board selected the site because 20,000 cars a day pass there. It is to be a self service supermarket type of a liquor store with plenty shelf space for greatly increased brands of liquor, and liquor makes people drunk, and drunken drivers are on the road, and the voters in North Carolina put them there. Let's get them off the road, join the Christian Action League. The League bought 150 copies of Mr. Grant's book, "Whiskey at the Wheel" and distributed them throughout Person County, trying to tell the story of the evil of alcohol.

FOUNDATION

The North Carolina Baptist Foundation, Inc., is a charitable corporation. It was chartered on November 24, 1920, under the laws of the State of North Carolina. As a charitable corporation, it and its donors presently have certain tax savings.

It was created by the Convention for the purpose of procuring endowment funds and for administrating such funds, for all institutions and agencies, owned and controlled by the Convention. It is independent of the causes it serves, but committed to their best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all of our Baptist work.

Any property owner who wished to do so-Baptist or non-Baptist, resident or non-resident, man or woman, young or old, can use the Baptist Foundation through cash, securities (stocks, bonds, notes, mortages) real property (farms, woodland, houses, lots) and any and every other kind of property, real or personal. These gifts can be in the form of a living trust, gift annuity, or by bequests in wills.

The Baptist Foundation stands ready at all times to aid individuals in making adequate preparation to use of the foregoing methods in providing for any agency or institution fostered by the Baptist State Convention of North Carolina, or any of the Southern Baptist Convention agencies of institutions.

When one uses the Baptist Foundation, one is EXTENDING HIS STEWARDSHIP IN PERPETUITY. This can and does bring a great deal of satisifaction and joy to the person who uses the Foundation for this purpose.

STATE MISSIONS

The churches are on mission to people under the Lordship of Christ - Matthew 28: 19-20; Acts 1:8. Churches in a cooperative plan express their mission beyond the local congregation. State Missions is interrelated by planning and financing with associations, the State Convention, Home and

Foreign Mission Boards. There is a ministry of State Missions expressed within the local church in Evangelism, Church Programs, and Stewardship Promotion. State Missions is Christian Social Service expressed through institutions. State Missions is churches expressing a positive interest in Christian Education.

State Missions is a multiplicity of special ministries too big for any one local church. These ministries to areas of need may be altogether supported by State Missions budgeting, or a cooperative budgeting arrangement of the local church, the association, the State Convention, and the Home Mission Board. Such specialized ministries include work at Cherokee and Pembroke, promotion and coordination of World Mission Conferences, support of part-time Chaplaincies in several correctional institutions, assistance in witnessing to and enlisting for service Orientals and Spanish speaking people. Ministry to the deaf includes evangelizing, teaching and etc.

Also included is a cooperative plan for Seminary extension and a rapidly growing Resort Ministry. Fruitland Baptist Institute is an area of State Missions. Our cities need Baptist Centers and other expressions of Christian social and evangelistic concern. State Missions continues a specialized ministry with other races.

State Missions serves the pastor and local church. New churches are encouraged by loans and grants of lot aid. Needy churches are given financial aid until they can become self-supporting. Pastors are directly helped through Annuity supplements.

State Missions is a cooperative ministry by the churches to people who need God and other churches that need help.

SUNDAY SCHOOL

The Associational Sunday School organization exists to help the local church with its task of providing effective Bible teaching and outreach. We have tried to take a new direction in this work during the past year, by only having meetings and officers or leaders that would fill a specific need. We tried to zero in on the area of outreach with two conferences last year. The first was held in February in cooperation with the Evangelism Committee, with conference leaders furnished by our State Evangelism Department. The second meeting, used local leaders, who had received special training in leading their conferences, in cooperation with the state emphasis of Realife. Both of these conferences were well attended and we trust were beneficial to those attending.

We hope to continue to help the local church meet its needs and face its problems in Sunday School work. We ask your help in providing suggestions for needed conferences or training groups. Your associational Sunday School stands ready to help you, call on us!

ASSOCIATIONAL MISSIONS

THE POWER, PLACE AND PURPOSE OF THE ASSOCIATION

I. POWER OF THE ASSOCIATION

1. It is an effective unifying agency and a resultful promotional agency.
2. These units of co-operation provide possible means of disseminating information regularly to all of the churches.
3. The possibilities offered in the association for deepening the spiritual conception, stirring the emotion, and kindling the zeal of the Christian people in the churches are beyond human calculation.
4. The association is an incomparable agency for magnifying the fellowship and the co-operative service of the local churches.

5. Dr. J.B. Lawrence, "Southern Baptist will never enlist their churches in denominational programs, no matter what those programs are, until they get back to the district association and make it a real functioning body in Bapitst affairs."

II. PLACE OF THE ASSOCIATION

1. The association is the second unit of Baptist Life.

2. The individual church has been organized to carry on the work of the Kingdom in that territory immediately surrounding it.

3. In order "to cultivate closer ties of brotherhood and Christian fellowship, to counsel together concerning all important matters relating to our Lord's Kingdom, to lay plans, support agencies, foster institutions, and provide means whereby our Lord's Great Commission may be more expeditiously fulfilled than could be done by each church acting separately, the individual church co-operates in the association".

4. A Baptist church does not surrender its sovereignty by its relation to the association or any other body.

(1) A church comes voluntarily into this relationship, and may dissolve its connections in the same way.

(2) An Association has no power to demand of churches that they adopt certain plans or do certain things.

III. PURPOSE OF THE ASSOCIATION

1. Fellowship:

(1) The development of Christian bonds of fellowship, brotherly love, compassionate sympathy, and a common undertaking is basic in the promotion of our Lord's Kingdom.

(2) When these conditions do not exist in the churches, the church becomes cold and the mission cause is not supported.

2. Conferences:

(1) Conference provide information, and inspiration for the Christians and Churches.

(2) Conferences provide a channel of communication - two way communication.

(3) Conferences provide an opportunity for sharing with one another - ideas, convictions, feelings, etc.

3. Co-operative Service:

(1) Co-operation is fundamental in all Baptist work.

(2) All working together can do what one cannot.

WOMAN'S MISSIONARY UNION

The Woman's Missionary Union has had a very good year together as laborers with God. Our attendance at all meetings has been excellent and enthusiasm has been high. There have been activities of interest in our individual groups and ladies have learned that there are needs all over the world that we can be and are a part of. This brings a great satisfaction, but, let us not become complacent with our progress, but, rather let us look ahead to even greater ways to carry out the great commission to "go into all the world and preach the gospel to every creature".

Our offerings have been good but we feel that they could have been better and trust we can give an increase this coming year. Again we have been privileged to have some of our missionaries to teach our mission studies and this has been the highlights of our association and an inspiration to all.

I urge each of you to look ahead and set goals for yourselves that God will be pleased with and then next year we can report a greater increase in number and spirit for our Beulah WMU.

Thank each of you for each thing you have done to make this year a good one. May God bless you and your efforts. Lets pray one for another.

Respectfully submitted, Mrs. Horace Murray

MISSIONS COMMITTEE

The Missions Committee offers the following recommendation: That the Association approve the request for $1,500 from State Missions for our Associational Missions Program next year.

This year the "go ahead" was received from the lake authority to investigate the need of, and set up a ministry for those who will be camping at Lake Hyco during the summer months.

Also there has been a continued ministry at the Maple Heights Rest Home, the Yanceyville Baptist Home, the Person Memorial Hospital Annex, and some have continued the ministry to the men and boys at our prison camp.

May we always be aware of our need of involvement in missions.

Respectfully submitted, Fred J. Braswell

CHRISTIAN LITERATURE

As Baptists, we are never at a loss for good literature. This includes our Sunday School, Training Union, and Bible Study Literature made available through our denomination. In addition to this, we have excellent resources for information and inspiration in The Commission, our foreign mission magazine, and in The Home Mission, our home mission magazine. The Biblical Recorder is probably one of our most up to date accounts and most accurate accounts of Baptist Life and issues, especially in North Carolina. Proclaim is one of the best and most helpful magazines published for our ministers.

We should show our appreciation for these publications by our personal utilization of these and all other resources made available to us.

Respectfully submitted, Mrs. Janet Braswell

ASSOCIATIONAL MISSIONS

This article expresses my sentiments and the work that I endeavor to do here in Beulah Association.

What Does a Superintendent of Missions Do? This is a hard question. It is like asking what a pastor does. We know the general things, like preaching, visiting, counseling, etc., but much of the pastor's time is spent with many other matters too numerous to mention. Below are four things the Superintendent of Missions tries to do:

He Cares for the welfare of the pastor, the church leaders and the churches. He cares when there is heartache. He cares when there is rejoicing. Let the churches and their leadership know that the Superintendent of Missions cares.

He Is Available to be of individual help to any one. He is available to counsel with church leaders, church committees, associational organizations and leaders in the association programs of work. He is available to aid the church in any way he can. Available means he is ready to be used.

He Is Informed. He tries to be informed concerning the churches, the leadership of the churches and the programs of the churches. He must be informed concerning denomination and all phases of her work as well as having to know the organizational life of the church. He must be informed concerning the happenings in the city and county. He must be informed on Baptist Doctrines and be an able student of the Bible. Your Superintendent of Missions may not be as informed as he should be, but he is trying to at least find out a little about everything and much concerning some things.

He Works Continually. He visits churches and pastors, works with committees of the association, administers all the work of the association, publishes a monthly paper, looks for missions needs, counsels with pulpit committees, attends many meetings, not only in the association, but also State and SBC level. There is never a dull moment in his life, always a new challenge. His work is never done. He continues to work for the good of the churches and advancement of the Kingdom of God.

What Does An Associational Superintendent of Missions Do? These are but a few. There are many more. If he does these well, he will have plenty to do and meet a great need in his Association.

Respectfully submitted, Hassell Lamm, Sr.

ASSOCIATIONAL CONSTITUTIONAL COMMITTEE

The In Depth Study Committee will be making a few suggestions as a part of our partial report to the Association this year. Some of these suggestions, if adopted will include some constitutional changes. This is to make you aware of them so that you can be prepared for such changes if they should be called for.

1. We will be recommending that the office of Parliamentarian be eliminated.

Constitutional Change Involved: Section 1, of Article III. Delete the words "The Parliamentarian".

2. We will be recommending a couple of changes regarding the Executive Committee of the Association. We are finding the need for more lay participation, also it seems to us that the work of the committee could be just as effectively be done in three scheduled meetings instead of four meetings. This would not eliminate the possibility of a called meeting if one is deemed necessary. So we will be making the following recommendations:

A. That the Executive Committee have two laymen from each church as representative of that church instead of one.

Constitutional Change Involved: Article VII, Section 1, now reads: "This committee shall also include each active pastor in the Association, one lay member, and an alternate member from each church....." Change to read: ....."two lay members".....

B. That the Executive Committee have only three scheduled meetings each year, September, January, and May.

Constitutional Changes Involved: Article VI, Section 2 (a): Delete the word "quarterly".

3. We also are going to recommend that the election of Department Directors be done a little earlier so that they can get some training at Ridgecrest during the summer to prepare them for their work:

Constitutional Change Involved: Article VII, Section 2 (b): Now reads: "Fill vacancies of unexpired terms of officers, and elect department heads by the 15th, or not later than the 30th of June of each year...." Change to read: "Fill vacancies of unexpired terms of officers and elect department heads by the 15th and not later than the 30th of May of each year." Article VIII, Section 10: Now reads: "This committee shall meet at the call of the chairman not later than May 30th....." Change to read: "not later than May 15th...." Now reads: "these nominations shall be presented

to the Executive Committee in its June meeting for election". Change to read: "... in its May meeting..."

As you understand, these are only recommendations of the In Depth Study Committee and will have to be adopted by the Association if they are to go into effect. But we wanted your committee to be aware of the changes that would be necessary if our suggestions are adopted.

Respectfully submitted, Hoyt Rutledge, Chairman
In Depth Study Committee

EVANGELISM

"SHARING CHRIST NOW" was the theme of the 27th Statewide Evangelism Conference at Owens Auditorium, Charlotte, February 5-7, 1973. Over 2,400 pastors and lay people were challenged by outstanding speakers to lead their people to become more involved in the work of evangelism. The closing session on Wednesday, February 7, was held at Pritchard Memorial Church, with emphasis on prayer and personal renewal.

It is thrilling what the Holy Spirit is doing through the ministry of our first summer youth evangelism team. Three college students led in music, preaching in youth revivals, and directing youth witness training sessions in churches from Marshall to Washington.

Durint June 11-15, over 730 youth and adults were present for the Youth Ministries Week at the North Carolina Baptist Assembly, with the emphasis on Evangelism, Vocational Guidance, and Recreation. Eighty-one youth made various decisions, including sixteen professions of faith.

The Third Statewide Youth Evangelism Night at Greensboro Coliseum was August 17. It is exciting how God is using the witness of thousands of Christian youth across our state in a tremendous manner.

The response of youth and adults to Lay Evangelism Schools in the past twenty months has been outstanding. 9,564 youth and adults have participated in this lay witness training from 720 churches and 34 associations.

Beulah Association had 13 churches participating with 224 people enrolled and 21 professions of faith. To date 523 churches have participated in the school with 7,864 attending, with 432 professions of faith.

The thrill and excitement of this school is still working in many of these churches. Let us pray it will continue till Jesus comes.

ANNUITY

Most but not all of our churches are currently participating in the retirement program through the Annuity Board of the Southern Baptist Convention called "Plan A". This provision for pastors and staff personnel provides basic retirement minimums of two hundred dollars per month ($200.00).

There are two other plans available through the Southern Baptist Convention Annuity Program. One is similar to a savings account at a local bank called "Plan B". The other is a plan similar to a mutual stock investment called "Plan C".

Few of our churches aid their pastor in these latter two program areas. Most Church members who work for some form of industry where retirement benefits are provided in addition to Social Security, consider very carefully one job against another based upon these retirement extras. Our Churches should make a serious attempt to provide for their pastors and staff members a more secure future at retirement age as you do for yourselves.

The SBC continues to search out areas where they can help the churches provide assistance for their pastors. They have done this in the area of insurance and medical care. Currently, the Annuity Board is able to offer a package program of insurance in Life Insurance, Disability payments and

Hospital-Medical and Surgical Insurance. There are various options available in each of these three areas. Churches desiring more information concerning this very important program for their pastor or staff members can do so by contacting the Annuity Board Office at the Baptist State Headquarters in Raleigh or your associational Annuity representative.

Prayerfully consider these areas of need in your pastor's life.

Respectfully submitted, Ronnie Reynolds

MISSIONS

The Baptist State Convention was founded...."to promote missions, evangelism, education, social services...."(BSC Constitution, Article II).

The Southern Baptist Convention was founded..."for the promotion of Christian missions at home and abroad and any other objects such as Christian education, benevolent enterprises and social service..." (SBC Constitution, Article II).

Jesus said, "Go ye into all the world, and preach the gospel to every creature". Mark 16:15.

We have a tendency, as Christians, to think of missions and missionaries as that which takes place in a foreign country. Foreign missions are a necessity, but we cannot and should not forget that our own state, our own country, and our very own local church is a mission field.

There is a variety of mission needs in our own state. State Missions take place in resort areas, shopping centers, correctional institutions, hospitals, child care centers, college campuses, migrant work camps, military centers or anywhere people gather and have needs.

State Missions take place in local churches, associations, regional and state conferences, camps and assemblies, Fruitland Baptist Bible Institute, seminary extension courses, or anywhere people meet to prepare to meet needs.

The Home Mission Board is directing most of its pioneer work outside the South. There are only a few Home Mission projects in North Carolina at present. These projects receive two-thirds (2/3) of their financial support from State Missions.

State Missions are supported by the Cooperative Program and the annual State Missions Offering in September. The 1973 State Missions Offering goal is $500,000. (The North Carolina portion of the Foreign Missions Offering in 1972 was over $2,000,000 and the Home Missions Offering was over $650,000.) The 1973 goal of State Missions represents about fifty cents per North Carolina Baptist. (1,000,000 North Carolina Baptist x 50¢ = $500,000).

The distribution of the offering, approved by the convention's general board is as follows:

$170,000.00 for General State Mission Programs
$65,000.00 for payment on Fruitland Institute Buildings
$15,000.00 for Special Mission Projects

All money above the basic amounts for the proposed Caraway Conference Center at Camp Caraway, N.C.

Respectfully submitted, Jesse Mooney, Jr.

BIBLICAL RECORDER

This has been another good year for the BIBLICAL RECORDER, thanks to your support and confidence. One of the milestones reached in the past year was passing the 100,000 mark in circulation. This occurred in May and circulation has now risen to nearly 106,000 - the highest in the 140 year history of the RECORDER. This has been achieved largely because more churches are putting the RECORDER in the budget, thus saving money and also time and effort that is put forth each year to renew their subscriptions under the CLUB PLAN of four or more.

All of these things are encouraging to those getting out the RECORDER each week. They feel their obligation to North Carolina Baptists is to get out the finest paper possible - - one that is attractive and filled with interesting and helpful material. In addition, news coverage of meetings such as the Committee of 11 is needed if North Carolina Baptists are to settle this issue which has come up in the last two state conventions. Associate Editor Toby Druin has covered every meeting of this committee which is studying the baptism issue in our state. The RECORDER will carry the full report of this committee 60 days before the convention meets in Greensboro. The RECORDER's coverage of these important meetings will do much to help messengers arrive at the right decision in November. This is the Baptist way - full information which comes with freedom of the press.

As you know, the RECORDER has for years led the fight against liquor by the drink. Now the issue is up to the people in a statewide referendum on November 6. The RECORDER will continue to give you information that will help win this fight against the liquor interests and those who would profit from liquor by the drink if this passes . . which we hope and pray it won't. If individual Baptists will become as concerned about this evil as the RECORDER is, a great victory for decency will be won in November.

Those of you who receive the RECORDER know what it contains each week - timely editorials, news of your fellow Baptist churches and fellow Christians, excellent photographs and covers, interesting personal columns, Letters to the Editor, and many other features. It is a Baptist family journal devoted to that which is wholesome and helpful.

Those of you who don't get the RECORDER should subscribe immediately, either by putting the RECORDER in your budget for only $2.50 a year or by starting a club of four or more for only $3.00 a year. Where else can you get so much for so little?

BAPTIST CHILDREN'S HOMES

Christian child care is a creative opportunity. The Baptist Children's Homes of North Carolina is committed to quality care which nurtures the whole person, physically, mentally, emotionally, and spiritually. It is our hope that each child in our care will have the opportunity to develop the full potential which is his by God's creation.

This has been a year of development and constructive change for the Homes. The entire agency has voluntarily met the minimum standards for child caring agencies and has been licensed by the State of North Carolina for all of our services to children and their families.

Each of the three administrative areas has realized significant growth. In the Western Area, two additional cottages have been completed and occupied at Broyhill Home and construction has begun on the administration building and the recreation building. The Maternity Home continues to operate at or near capacity in its service to unwed mothers. In the Eastern Area, a new cottage is being built at Kennedy Home and the foster care program has been enlarged.

In the Piedmont Area three developments deserve special attention. (1) Mills Home has a new administrative organization. The twenty cottages have been divided into four units of five workers, and the cottage personnel. These smaller units will provide closer working relationships between staff members, between staff and children, and between staff and families. (2) Wall home at Wallburg has been reopened to provide for a group of boys, utilizing the special skills of the houseparents in an outdoor adventure program. (3) We are negotiating with Baptists in Alamance and Mecklenburg counties for the establishment of emergency care units. These units will be joint ventures between the Homes and the local supporters, with the local group providing the buildings and the Homes operating the program of care.

Three pressing needs are laid on the hearts of Baptists who are concerned for our ministry of Christian child care. (1) We need many families who will open their homes to accept foster children. Any family interested in exploring this Christian service to children should write or call the nearest office of the Baptist Children's Homes. (2) The increase in the cost of food, clothing, supplies and services makes the Cooperative Program and the Thanksgiving Offering all the more important to our continuing services. We need significant increases in both to meet rising costs. (3) Several old cottages remain which need to be replaced with new cottages better suited to present patterns of child care. The development staff welcomes the opportunity to counsel any person regarding his lasting investment in Christian child care.

AMERICAN BIBLE SOCIETY

Since the Bible speaks to the heart and mind of all men, the American Bible Society's mission is to present God's Word to all the world in a language it can afford and understand. The theme of this program is: "Let the Word Speak".

The goal of the society is to prepare five (5) progressive reading levels of specified selections of the scriptures in over 100 languages by 1980. At the same time, they are translating the Good News for Modern Man, of which over 40 million copies have already been distributed, into these many languages.

At the present time nearly 97 per cent of all the people in the world can secure at least a portion of the scripture in their own language.

During 1972 the American Bible Society:

(a) Distributed 121,122,596 copies of the Scriptures in the United States, an increase of 34 percent over 1971.

(b) Supplied 53 per cent of the budget of the United Bible Societies.

(c) Provided 704,849 copies of the scriptures for the blind.

(d) Opened a new office in Atlanta, Georgia to provide better service for the southeastern region.

We as Southern Baptists are continuing to increase our support of the American Bible Society each year through the Cooperative Program. Aside from this, many individual churches wish to make specified donations to this worthy cause. A suggested goal for this giving is as follows:

1. Small churches - $10 to $60.
2. Larger churches - $60 to $300.
3. Large City churches - $300 to $600 or more.

Please send your gifts to:

Baptist State Convention of North Carolina
301 Hillsborough Street
Raleigh, North Carolina 27603

These gifts must be marked, "American Bible Society".

CHRISTIAN EDUCATION

In North Carolina Baptist Churches and Baptist Colleges are in partnership. It is still true that most of our pastors, missionaries, church staff members and denominational leaders are educated in Baptist Colleges. Another example of church-college cooperation is the Baptist Youth Corps, which provided dedicated student leadership for more than eighty North Carolina Baptist Churches during the summer of 1973.

Your North Carolina Baptist Colleges receive a large part of their financial support through the Cooperative Program. During 1973 more than two million dollars will be given to support Christian higher education, which will be distributed to the colleges as follows:

Campbell College	$340,721
Chowan College	212,951
Gardner-Webb College	249,153
Mars Hill College	296,002
Meredith College	296.002
Wake Forest University	517,471
Wingate College	217,210
	$2,129,510

The colleges make a special effort to recruit North Carolina Baptist students. In fact, no qualified student is turned down in any of our colleges because of inability to pay. The churches help to make this possible through the Cooperative Program and the Baptist College Scholarship Offering on Father's Day. Baptist colleges stress the importance of the individual student, and are anxious to enroll the youth from our churches who plan to attend college. Churches can help their students and their colleges by encouraging interested young people to apply for enrollment in one of our seven North Carolina Baptist Colleges.

Since 1945 the cooperative efforts and relationships of North Carolina Baptist Colleges have been coordinated by the Council of Christian Higher Education of the Baptist State Convention. The Council office is eager to assist both the churches and the colleges as together they help to creat persons and a world as Christ would have them.

HOMES FOR THE AGING

One of the most meaningful things that you do as a Baptist is the share that you have in the ministry of your North Carolina Baptist Homes for the Aging.

There is no greater realization that we can have together than the awareness of the fact that this special ministry to older people is a venture of faith in God. It always has been. We hope that it always will be. God has brought us from one Home to five resident Homes, with two located in Winston-Salem (Resthaven and the Hayes Home), and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents and there is a Nursing Care Unit in Winston-Salem, with a capacity for 63 patients, and serving all of the Homes' residents, when nursing care is needed. Four out of every five persons who come to us in our Homes for the Aging are persons whose income is very limited. They look to you, through your love gifts, for a supplement to their care, and all of us look to the Lord continually for His great love. This, therefore, is a venture of faith.

Be glad for the fact that your love gifts make possible quality care. It has often been said of the ministry of our Baptist Homes that there is no finer care that an older person can receive this side of Heaven than the care given in our Homes for the Aging.

God bless you for your share in this ministry to the Aging, which is both special and distinctive. Pray and continue to support this ministry as liberally and loyally in the future as you have in the past.

CHRISTIAN ACTION LEAGUE

As Christians we are concerned with anything that which would destroy the body, mind and soul of mankind, because we are interested in the whole man. Many evils face us in the world today. Liquor by the drink seems to top them all at the present time. Therefore, the Christian Action League this year has been very active in North Carolina trying to defeat this referendum on November 6, 1973, which if passed would allow liquor to be sold in North Carolina by the drink, and that is just one step away from open

bar-rooms. We in the Christian Action League have some four hundred (400) bill-boards placed on streets and highways in North Carolina.

In Person County we have selected a full slate of officers and committees to inform the voters as to what the results would be if we don't defeat this unnecessary evil in this election. We urge them to vote "NO" on November 6. This vote "NO" is on the bill-boards throughout North Carolina. We hope and pray all Christians will vote NO.

Respectfully submitted, John Wesley

STEWARDSHIP

Stewardship is a vital part of each church. It is felt throughout the complete cycle of the Southern Baptist Convention. Therefore, we need to think much on increasing the percentage given through the Cooperative Program for the Proclamation of the Gospel of Jesus Christ.

Increasing the percentage given through the Cooperative Program is an excellent follow-through, for the special offerings your church receives.

Failure to have a good follow-through, in anything, would be frustrating at the least and tragic at the most. Failure to have a good follow-through when you are fishing would cause all of your fish to get away and this would be frustrating. It would be tragic not to have a good follow-through in a baptismal service.

A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well your special offerings and let your major emphasis be on the life-line: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? if so, you need to have a thorough stewardship program in your church.

Realizing God's blessing upon us and knowing the needs are great both here at home and across the seas may we each pray for our missionaries and our cooperative program causes throughout the year. May we strive to lead our churches to increase cooperative program and associational mission giving.

Respectfully submitted, Allen Thompson

BROTHERHOOD

The primary function of the Brotherhood of the Beulah Association this past year was the sponsorship of the second annual RA Track Meet in May. This event was held at the Person Senior High Track with approximately 100 boys from six churches participating. The Churches participating were Somerset, Ca-Vel, Roxboro, Bethany, Antioch and Berry's Grove. RA Counselors and men from the local Brotherhood units served as judges and overseers at the event. Somerset Church won the Track Meet with the highest number of team points. The Association was represented at the State Track Meet at Gardner-Webb College by 39 boys and 8 adults, and the Association had five ribbon winners in the Meet.

The Beulah Association has seventeen churches reporting some type of mission organization for men or boy's groups. There is a need for more actual "mission" involvement by the men of our churches to go along with the "fellowship" that most of the groups have. The need is for emphasis on the Great Commission.

BAPTIST HOSPITAL REPORT

In May of this year, Baptist Hospital observed its 50th Anniversary. This hospital opened its doors in May of 1923 "to bring the healing art more definitely under the dominion of the Great Healer." The Anniversary was celebrated jointly with the dedication of the new Reynolds Tower, a 16-story patient care facility. The completion of the Tower brings the total bed capacity to 655, placing the Baptist Hospital within the top 10 per cent (in size) among hospitals in the United States. When the renovation of older sections of the hospital is completed the total number of beds will be 717.

Construction has begun on an ambulatory care building which will house the emergency room, several outpatient clinics, the Physical Therapy Department, and an Oncology (Cancer) Clinic and Research Laboratories. This building and the above-mentioned renovation will complete the present Medical Center Development Program.

The hospital continues to provide care for people who cannot pay, valued at far in excess of the total Mother's Day Offering. The Auditors' confirmed value of this care in 1972 was $1,390,000 - - nearly four times the amount of the Mother's Day Offering - - and this does not include the value of physicians' services, provided without cost to these service patients.

The hospital's financial operation is "in the black", and there has not been a general room rate increase in 2 1/2 years. As of June, the Mother's Day Offerings were running ahead of last year.

Calvin Knight continues to serve as Director of Denominational Relations at North Carolina Baptist Hospital.

Respectfully submitted, Dean Baughn

WOMAN'S MISSIONARY UNION

Another year on Woman's Missionary Union has come to a close and our feelings are those of joy and sadness. We rejoice with each of you for the accomplishments this past year. We were fortunate to have trained leadership who were dedicated to their task, all of you were interested in WMU work in your local church, "Giant Step" has been a great success in many of our organizations, however, there is room for much improvement. So many of our churches do not have the age-level organizations needed for all the ladies of the church, therefore, it is now time for each of us to take added responsibility to the task ahead. I believe that you as WMU ladies feel the need for dedication as never before.

It has been a good year and now we go to a new year with new officers and we want them to know they will have our support just as they have given us their service. As your new WMU Director has taken office I urge you to hold her up in prayer each day. This is a place of great opportunity and at the same time a place of great responsibility. The other leaders under her will be busy setting up new ideas and answering questions that will arise.

All of these ladies need our prayers and support.

As we go out of office it is my hope that we will not let up as a job done, but we might work harder to help get a big job done. Let me thank each of you for your prayers and support given me the last three years and look forward to working in a different capacity in the coming year. May God bless each of you.

Respectfully submitted, Mrs. Horace Murray

IN-DEPTH STUDY COMMITTEE REPORT

Several years ago you appointed this committee to take an in-depth look at the workings and set up of the Beulah Association and to make recommendations regarding our findings. Last year we came to you with a rather lengthy report concerning our study to that date. We had come to some conclusions in regard to :

1. The definition and purpose of the Association
2. The objectives of an Association
3. The functions of an Association
4. An organizational structure for a functional Association.

The above conclusions were included in our last year's report, along with a few recommendations to the constitution committee which they included in their recommendations to the Association in annual session last October.

This year our focus has been more upon the individual officers and committees of the Association. As a part of this discussion, we arrived at a recommended "Guidelines for Associational Officers" that we feel would aid the incoming officers and committees each year to do the best work that could be done. Those guidelines are included in this printed report and we recommend that they become a part of our printed minutes, immediately following the Rules of Order.

"GUIDELINES FOR ASSOCIATIONAL OFFICERS"

1. Each officer should attempt to get the training available for your position as provided by the denomination. Funds are available to help with the expenses of this training, such as attending Ridgecrest, Mundo Vista, Caraway, etc.
2. Each officer should contact your Superintendent of Missions, State Convention and other sources for help in your specific area of work.
3. Be aware of the expectations listed in the constitution as to your responsibilities.
4. Part of your task will be your attendance at certain Associational Planning meetings, such as Associational Council meetings, and other meetings that will help you accomplish your work.
5. A written report is expected for the Annual Associational meeting of the work done during the year. You will be notified when this report should be completed (Normally about 30 days prior to the Annual meeting). This report shall not exceed 300 words. Periodic reports should also be made at the Executive Committee Meetings which meet three times a year.
6. As you become acquainted with your task, you should be available to assist the local church organizational leaders to more adequately perform their task in this area.

Your committee also made a few recommendations to the constitution committee that we felt needed to be changed. These are being considered by this committee.

We received late in the year, an unfinished report from a Camp Study Committee which was appointed last year. The Chairman, Dean Baughn, left our Association so this report was turned over to this committee. We have not had time to look into any of the work done by this sub-committee.

We felt that one more major task faces this committee next year, that of formulating job descriptions for all the tasks of the Association. With this in mind, we make the following recommendation:

"We request that each officer or committee should study their task and formulate a written Job Description that shall be forwarded to the In-Depth Study Committee for further study. This can best be done by sitting down with your Superintendent of Missions as a resource person for this task".
Respectfully Submitted, Associational In-Depth Study Committee --

EVANGELISM

There appears to be a feeling among some people and churches that Evangelism has lost its place in the modern church. To the contrary, we see evidence of it in almost all parts of the world. In our own Association, there were 263 baptisms in 1973 and we pray, there will be more this year, as direct or indirect result of Evangelism. We thank God for all these who were instrumental in leading souls to the Lord through Evangelism.

Without Evangelism, the very heart of the church becomes indifferent and (or) self-centered. Our out - reach as a church is stalled and the unsaved people cannot see the compassion of the christian.

Let each of us proclaim Jesus Christ, as the Son of God, that one who came to seek and save that which was lost. Pray that through our personal testimony, we will win our friends, neighbors, and families to Him. Everyone of us should be a witness. Help us make this a reality.

BAPTIST CHILDREN'S HOMES

Christian child care is a shared adventure. We proceed by faith to build a helping relationship with children and their families in need. We cannot know in advance the final outcome, but we are confident of God's power to work in these relationships for reconciliation and healing.

Much has happened this year to strengthen the foundations for our ministry of child care. The recreation and administration buildings at Broyhill Home are nearing completion. A cottage and two staff residences at Kennedy Home will soon be dedicated. A challenge gift of $100,000 has been received for the development of Greer-Burris Home at Chapel Hill.

"The Mountain Within", a thirty-minute 16 mm sound picture, has been filmed to tell the story of the Children's Homes. It was premiered at the Piedmon Area Conference September 12. Following extensive use on statewide television broadcasts, it was released for showings to churches, associations, civic clubs, and other interested groups October 1, Place your order for the film through the Department of Communications of the Baptist State Convention.

Our Piedmon Area services have expanded significantly during the past year. Mills Home continues to provide the highest quality group care to more than two hundred school age children. Wall Home has pioneered with an exciting outdoor high-adventure program for a group of teenage boys. Our first Emergency Care Home opened in Burlington May 21, and a similar home was opened in Charlotte in late summer. These two homes represent a cooperative venture with the Mount Zion and Mecklenburg Associations to provide emergency care on the local scene. New foster homes have been licensed and have increased the number of foster home children in care.

The continuing good will and generous support of our friends throughout the State make possible this vigorous and progressive ministry of child care. During the past year, North Carolinia Baptist gave more than a million dollars to Christian child care in the North Carolinia Baptist Children's Homes through the Cooperative Program, the Thanksgiving offering, and designated gifts and offerings. Rising cost and the need for expanding services challenge all of us - staff and supporters - to continue our investment in the shared adventure of Christian child care.

BAPTIST HOSPITAL REPORT

In spite of the growth in size and complexity at your Baptist Hospital, the emphasis is still upon ministering with skill and understanding". Evidence of this is a typical patient's remark recently: "From the head surgeon to the aide who handed me a glass of water, with all the doctors, nurses, people

in the business offices and chaplains in between, I was cheerfully given every personal consideration".

Changes and additions continue to be made for the purpose of providing better hospital care. Renovation of the Progress Care Unit has been completed, and the South and West Wings of the hospital building are now being renovated. Construction of the Ambulatory Care Unit is well under way and is scheduled for completion in the spring, or early summer, of 1975.

New discoveries continue to make possible better medical care. For example, a new EMI-Scanner is to be installed and is expected to be in use before the end of this year. This device, which combines the use of x-rays and computors, will make it possible to detect brain tunors, blood clots, and strokes more accurately and more quickly. Scans can be completed in about 30 minutes and the results can be available in another five minutes. There is no risk or discomfort involved, and the patient does not have to be admitted to the hospital.

New approaches are also being made in the hospital's ministry to the emotional and spiritual needs of people. The Division of Human Enrichment and Development, in the Department of Pastoral Care, is conducting retreats, seminars, and workshops designed to help appropriate the resources of the Christian faith to the various areas and experiences of life. The Pastoral Care Department has also opened its first satellite center, in Fayetteville, to offer counseling and training to people in that area. Your Cooperative Programs help to support these ministries.

The School of Nursing graduated its last class in May. The school has been in the process of phasing out for the past three years, as the result of a trustee decision made in 1971.

In January the hospital had its only room rate increase in the past three and one half years. Nevertheless, the hospital continues to operate "in the black". The 1973 Mother's Day Offering amounted to $375,000. At the time of this writing, our 1974 Mother's Day gifts are running ahead of the same time last year. These gifts are used to assist patients with the most urgent financial needs. A special committee of five Baptist from Winston-Salem area assists personnel from the hospital Business Office and the Department of Denominational Relations in administering these funds.

Your hospital staff, and the people they serve, are grateful for your interest, your prayer and your financial support.

Respectfully Submitted, Ruth H. Witty

MISSION COMMITTEE

The Missions Committee reports that $99.00 per month was received from State Missions for our Associational Missions Program for this year.

A continuing ministry has been in effect at Maple Heights Rest Home, at the Yanceyville Baptist Home and at the Person Memorial Annex. Also some work has been supported and administered by pastors and lay workers in our prison camp.

Missions is everyone's job! Let us all be aware of and involved in the field of missions, "people helping people".

BAPTIST HOMES FOR THE AGING

As a Baptist, among the many vital ministries that you support are your North Carolina Baptist Homes for the Aging. For over 23 years now, you have had a part in serving hundreds of older people and making life much happier and secure for them. You have done so through two very helpful means of income: (1) The Special Offering for the Homes received on the 3rd Sunday of February each year; (2) The Cooperative Program. Gifts through these two sources have increased from year to year, and offerings for 1974 will perhaps exceed $350,000, providing more than 30% of the budget needed to operate 5 resident Homes and the Nursing Care Unit.

God, through you, has blessed this ministry of our Baptist Homes in Winston-Salem, Resthaven, and the Hayes Home, and the Nursing Care Unit, and three other Homes at Albemarle, Hamilton and Yanceyville. In these Homes, 4 out of 5 residents depend on your love gifts and simply could not be cared for without your help.

Of greatest significance during the past year, has been the decision by the Trustees of the Homes to establish a 6th Home in Western North Carolina, to be located in the city of Asheville on the Pearson Estate, a magnificently beautiful twenty-one acre site, overlooking the city, and with the gorgeous Blue Ridge Mountains in the background. A dedicated group of people in the Western Carolina area have organized the first initial phase of what will become, it is hoped, a major State-Wide fund - raising effort to obtain the necessary money to build this proposed Home, after approval by the General Board, and the Baptist State Convention. Church groups are encouraged to visit the beautiful site on which the proposed Home will be built, and will be served lunch, if an appointment is made in advance.

With the addition of a 6th Home for the Aging, with the spiraling cost of living, and the great and ever-increasing needs of older people, it is most urgent that our Baptist people be more generous than ever before in support for the Homes through the regular channels of the 3rd Sunday of February Offering, the Cooperative Program, and an over and above gift for the Western North Carolina Home.

Ministry to an older person is a direct ministry as unto Christ Himself and is most pleasing to Him, we are sure!

ANNUITY BOARD

The Southern Baptist Convention Annuity Board paid out a record nearly $16 million in retirement and protection benefits last year. In the Board's history it has paid out over $100 million in retirement and protection benefits. More than 9,000 retired pastors and other church-related vocational workers or their widows receive the benefits.

In the Beulah Baptist Association 24 churches and the Association provide, or assist in providing, retirement plans for pastors and other employed persons. Most of these include only Plan A, which covers the first four thousand dollars of salary. Plans B, and C are also available, which provide for payments on salary above the basic plan. By paying retirement dues on total salary instead of the original limit of four thousand dollars, better income for retirement years is provided. These payments can be made one-half by the church and one-half by the pastor, or the church may pay the entire amount, the same as in the basic plan.

The Annuity Board also offers assistance in the area of insurance and medical care. Currently there are offered package programs in Life Insurance, Disability, and Hospital-Medical and Surgical Insurance. There are various options. Churches, pastors, and staff members can obtain detailed information tailored to their needs by contacting the Annuity Board Office of the North Carolina Baptist State Convention in Raleigh, or your Associational Annuity Representative.

WOMAN'S MISSIONARY UNION

Another year of the Woman's Missionary Union has come to an end. We are glad and also sad. We are glad for the things that we have accomplished for the Lord but we are sad about the opportunities that we missed to witness and praise the Lord. We feel that our leaders have done a good job but we can always do more for the Lord. We are very interested in the work of your local church because most of your efforts show results here. The local church is where we really meet people who need our help and the Lord's help. Giant Step has been our special emphasis this past year.

It has been a good year but as we go into a new year we the officers of next year need your prayers and support. We are grateful for your support the past year and for the officers that have served and look forward to working with you and the officers this coming year. Please pray that God's will shall be done in each of our lives.

Respectfully submitted, Mrs. Ben Gault

BIBLICAL RECORDER

The BIBLICAL RECORDER is grateful for another good year, although these are difficult days for religious publications. Some have had to go out of business while others are squeezed by rising costs. The RECORDER has not escaped the pressures of inflation. For example, paper has risen 61 per cent already this year - and the end is not in sight.

Even so, RECORDER has been in business for 141 years and expects to continue. A few changes have to be made, however, to keep the paper strong. As staff members have resigned or retired, they have not been replaced. Some weeks the number of pages has to be reduced to save money, but readers have been very understanding.

Despite some problems, the Recorder is enjoying its highest circulation in history - more than 111,000 - thanks to the continuing support of the vast majority of Baptist churches in the state. These churches and their members

remember the part the RECORDER played in the overwhelming defeat of liquor by the drink last November. This is probably the most significant story that the RECORDER has reported since the associations met last year. You will remember that approximately 70 per cent of the voters in the state voted against liquor by the drink and it was defeated in 97 of 100 counties. This should take care of this issue for awhile.

The RECORDER will continue its emphasis on local church coverage, seeking to deal with problems that every church has. Naturally, we are prejudiced, but we do not believe any publication can take the place of the BIBLICAL RECORDER. If your church does not send it to every family, may we ask a simple question: Why? At a cost of only a nickel a week for each family, this is the best investment a Baptist church can make. Put the RECORDER in the budget before it has to increase the rate because of inflation.

CHURCH TRAINING

The Church Training Department of the Beulah Baptist Association made only one effort at having a joint meeting together this past year. This was our Deacon-Pastor's Conference that was held at Providence Baptist Church in Person County. Local people (both pastors and layman) spoke to a group of over 300 people on Tuesday February 26. Each person was encouraged to serve our Lord to the best of his ability in the local church. It is hoped that perhaps some more meetings such as this will be held in the future to meet specific needs as it is our belief that well trained leadership is one of the most pressing needs of our Association.

CHRISTIAN HIGHER EDUCATION
CHURCHES AND COLLEGES ARE PARTNERS

While churches and colleges are not identical in their purposes, Baptist churches and Baptist colleges in North Carolina do their work in an atmosphere of mutual appreciation. This active partnership includes Baptist Youth Corps, student-led worship and revival services, visits to the campuses by pastors and other leaders, participation of faculty and staff in associational and local church programs, and special projects of promotion on behalf of the Cooperative Program.

COOPERATIVE PROGRAM

Your seven colleges are grateful for the continuing financial support which they receive through the Cooperative Program. During 1974, approximately $2,350,000 will undergird the work of North Carolina Baptist Colleges. At a very crucial and difficult time, these funds make a tremendous difference in the quality of programs offered by our schools.

BAPTIST STUDENTS

The colleges make a special effort to recruit North Carolina Baptist students through pastors and superintendents of missions. No qualified student will be turned away simply because of inability to pay. Baptist colleges are anxious to enroll the young people from our churches.

CHANGE IN WINGATE COLLEGE LEADERSHIP

After 20 years of effective leadership, Dr. Budd E. Smith resigned the presidency of Wingate College. On June 1, Dr. Thomas E. Corts of Georgetown, Kentucky assumed the presidency of the seventy-eight year old institution. Dr. Corts, the eleventh president of Wingate College, came to this position with excellent preparation and experience.

COUNCIL ON CHRISTIAN HIGHER EDUCATION

Our colleges - Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate - work together and with the Baptist State Convention through the Council on Christian Higher Education. The Council office is eager to assist both the churches and the colleges in the promotion of understanding and cooperation as together they deal creatively with persons in the name of our Lord.

STEWARDSHIP - COOPERATIVE PROGRAM

More than 5,000 missionaries at home and abroad depend on gifts through the Cooperative Program for a salary each month. Over 3,000 of these have a basic ministry of evangelism . with all of the others using their skills as nurses, teachers, doctors, etc. to meet human needs in order to bring these to Christ. Through the Cooperative Program you are helping the widow, the homeless child, the homeless aged, the sick, plus the ministries of preaching and teaching.

Increasing the percentage given through the Cooperative Program is an excellent follow-through for the special offerings your church receives.

Failure to have a good follow-through, in anything, would be frustrating at the least and tragic at the most. Failure to have a good follow-through when you are fishing would cause all of your fish to get away and this would be frustrating. It would be tragic not to have a good follow-through in a baptismal service.

A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well your special offerings and let your major emphasis be on the lifeline: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? If so, you need to have a thorough stewardship program in your church.

Last year 1,236 churches increased Cooperative Program giving by 10 percent or more over what they gave the previous year. Two of the associations in North Carolina had 100 percent of their churches giving through the Cooperative Program in 1973. These two associations were: Flat River and the Tar River.

WILL YOU DO FOUR THINGS?

1. Will you lead the church where you serve to increase Cooperative Program and associational mission giving by 10 percent or more?
2. Will you have a special prayer for your missionaries and other Cooperative Program causes during each service in your church during the October Cooperative Program prayer month?
3. Will you send your check for Cooperative Program each month to Baptist State Convention of North Carolina, P.O. Box 26508, Raleigh, North Carolina 27611?

4. Will you help us have a good stewardship workshop in your association next spring or summer, so we can: (1) Study recommendations for pastor and staff salary increases; (2) Get an overview of available program helps for each church in stewardship; and (3) Receive a report on where you are in your goals for association and Cooperative Program giving?

SUNDAY SCHOOL

Purpose - To support the Southern Baptist Convention in its task of bringing men to God through Jesus Christ by making available Bibles, lesson courses and materials, books, films and filmstrips, music and recordings, and church supplies and by fostering education and service programs which will help the churches to establish, conduct, enlarge, and improve their ministries of Bible teaching and Christian training.

Significant Goals and Accomplishments - The Sunday School Board recognizes that churches vary a great deal in their wants and needs. Some of these variances are related to size, location, state of Christian development, community environment, and educational level. The Board has sought to understand and meet the needs of the churches rather than to try to impose on churches programs and materials developed in an "ivory tower" setting. In meeting the varying needs of churches, the Board seeks to make all its materials biblically sound, physically attractive, and of acceptable quality. The aim is that every item be of superior quality.

All Sunday School Board activities are designed (1) to discover the programs which churches may use effectively in finding, reaching, teaching training, and developing people, (2) to promote such programs for use in the churches, and (3) to provide acceptable materials to support these programs.

Church growth plans, which include People to People and CHURCH: the Sunday Night Place, have already helped many churches in reestablishing a positive spirit and have turned their membership and enrollment patterns from decline to growth. These plans, along with many others in the various departments of the Board, forecast a bright future for church growth. The acceptance of these plans by association and state convention leadership has increased appreciably.

The actions that have been taken for the simplification of programs and materials have resulted in greater acceptance from our constituents. The teaching procedures in our leader periodicals have been simplified, and the response to them have been very positive. The field servicing of our programs is receiving excellent response in the churches, associations, and state conventions.

Financial Matters - Net sales for the year of $47,844,000 exceeded the preceeding year by 8.6 percent. Earnings available for working capital, fixed assets, and capital reserves were $2,032,000, a decrease of 8 percent below budget and 15.5 percent below last year. The decrease below last year was by design in order to provide more funds for operating programs. The decrease below budget was related to change in plans to conform to government price and profit guidelines. The Board provided funds to assist state conventions in the promotion of Sunday School, Church Training, Church Music, Student, Church Administration, Church Architecture, Church Library, and Church Recreation work in the amount of $958,878. Additionally, transfer of $321,467 was made to the Southern Baptist Convention for operating expense.

Outlook - The Board has enjoyed a happy relationship with its constituents. News stories were used 1,176 times for a total of 9,673 column inches; 4,526 visitors toured the Board; and letters of criticism were received from only 154 persons as compared to 961 for the preceeding year.

CHRISTIAN ACTION LEAGUE

As Christians we should be concerned with the whole man, body, mind and soul. This is the concern of the Christian Action League. In 1973 Baptist in North Carolina won one of the greatest victories in defeating the liquor by the drink referendum 3 to 1. And praise the Lord, Person County voted 3,673 against, and only 629 for open bar rooms in Person County. You will notice I said Baptists won this fight because this is a statement made by the wets who fought so hard for Liquor By The Drink bill. I would agree with their evaluation, because there are more Baptists in North Carolina than all other denominations in North Carolina.

We in the Christain Action League are in a battle also with the filthy trash on news stands and much is being sent through the mail into our homes. I mean pornography. Christian Action League is working on this, and will be back in the General Assembly when it meets trying to get the law changed whereby we can get this filth off the market.

Please pray for your Christian Action League in North Carolina.

AMERICAN BIBLE SOCIETY

Supplying the millions of men, women, and children who become new readers each year with Scriptures they can understand, is seen by the American Bible Society as one of the most pressing of the many challenges facing it today.

To bring the Word of God to every person in the world has, of course, always been the sole purpose of the Society. To do so it has engaged in hundreds of programs of Scripture translation, publication and distribution by cooperating with churches and agencies that need Scriptures. But even with all these programs, the Bible Society is aware that a large part of the world's people are not being reached, those whose reading ability is new or marginal.

GOOD NEWS FOR NEW READERS

Now there is GOOD NEWS FOR NEW READERS, a unique and extensive program that will provide special Scripture Literacy Selections on five graded levels, in 200 languages. It will enable millions of people to read the Word of God for themselves, as well as other reading material, for the first time, thus providing a basis for a more abundant life.

Over the next twelve years. 725 million selections will be required at a cost of over $62,000,000. Already two levels are complete in 112 languages. Their ready acceptance indicates the great spiritual hunger of the world's people and the need for these unique tools. Nothing else like them exists anywhere in any language!

NOW IN MORE THAN 1,526 LANGUAGES

The number of languages in which at least one book of the Bible has been published by Bible Societies and other Christian organizations increased by 26 in 1973 to 1,526. The Bible Societies continue to place a high priority on contemporary language translations such as "Good News for Modern Man". To date, common - language Scriptures have been published in 36 languages.

The world's best selling paperback book, "Good News for Modern Man," the American Bible Society's New Testament in Today's English Version (TEV) reached a total circulation of more than 43 million copies by the end of 1973. TEV translation work on the Old Testament continues in preparation for the publication of the complete Bible in 1976. This translation continues to be a model for common-language work in other tongues.

OTHER PROJECTS

The American Bible Society continues to bring new color and formats to the Scriptures produced. Distribution continues in the work for the blind with Scriptures in Braille, tape, and records. Work with Armed Forces Chaplains continues as well as work with Blacks, American Indians, Spanish, and other minority groups. The Volunteer Activities Department of the American Bible Society is growing rapidly.

FINANCIAL SUPPORT

The American Bible Society is most grateful for its close and continuing relationship with the Southern Baptist Convention in the common purpose of Scripture distribution. However, the Society is facing growing demands for Scriptures in a world whose population is growing and whose people have a growing need for the saving knowledge of the Gospel.

Therefore, the Society asks Southern Baptist churches to continue their active support and to make special efforts to support the GOOD NEWS FOR NEW READERS program.

We know we have the urgent responsibility and glorious challenge of making God's Word available to all who need and want it. This is more than a responsibility for the Bible Societies. It is a responsibility which all Christians must recognize and to which all must respond generously.

SUPERINTENDENT OF MISSIONS

OPPORTUNITIES AND RESPONSIBILITIES OF THE LOCAL CHURCH IN ASSOCIATIONAL MISSIONS

I. INTRODUCTION: Three questions.

A. Why is our church in the association? The church voluntarily came into the association. The church itself requested membership in the association. Why? The church felt that it could best fulfill its mission by cooperating with other Baptist Churches. The church felt that it had a contribution to make to the association and that it would also be benefited by being in the association.

B. Does our church have the right to expect to have the same privileges and benefits that other churches have in the association? Yes, each church rightly expects the same privileges and benefits.

C. Does not responsibility go along with privilege? Yes, responsibilities always go along with privileges. It is a law of life that "one does not get something for nothing".

II. OPPORTUNITIES:

A. Fellowship -

1. Fellowship is as essential for a church as it is for the church member in the local church.

2. Fellowship enables churches to work together better in a common task.

3. Fellowship gives the churches a greater vision of the needs of other churches and the world.

4. Fellowship gives the churches the sense of belonging to something bigger than themselves, the Kingdom of God.

B. Service -

1. Churches through the association can reach out and minister to others.

2. Churches can share its able and efficient leaders with churches that need their services.

3. Also weak churches in the association have opportunities of receiving help from stronger churches.

4. In the associational program all the churches have opportunities of being helped by denominational leaders.

C. Learning -

1. Learning from one another of their experiences.

2. Learning together with one another how to cooperate with one another.

3. Learning with one another to love each other better and better ways of expressing this love.

D. Sharing -

1. Sharing with those who need help and encouragement.

2. Sharing their knowledge, resources, leaders, money, experiences, etc.

3. Sharing the blessings of God with others.

III. RESPONSIBILITIES -

A. Living up to the promises the church made to the association when it became a member of the association (see the constitution). Here are some excerpts from the constitution.

1. "The churches shall be cooperating".

2. "Missionary Baptist Churches in faith and practice".

3. "Promote the Kingdom of Christ on earth in compliance with the teachings of the New Testament".

4. "Cultivate a friendly and helpful union among the churches for their mutual benefit".

5. The church is required to make a report to the association.

6. Perhaps, other responsibilities are also implied. It is obvious that the churches must support the association if it is to function in a way that it will help the churches.

B. To Support the Associational Program:

1. Financial Contributions.

2. Workers - encourage your leaders to take positions in the association.

3. By praying.

4. By having and expressing a good, positive, and progressive attitude toward the association.

5. Support the meetings by attendance.

6. Support the program by active participation. It is not expected of the church that it be active or involved in every program of the association, but that each church use and promote that which will be helpful to the local church.

C. To Promote Associational Missions:

1. Inform its members about associational missions.

2. Seek to get its members involved in the associational missions program or activities.

3. Encourage other churches to support associational missions.

D. Giving and Receiving:

1. Every church has something it can contribute to the other churches.

2. Every church can receive a blessing or benefit from even the weakest church.

SUNDAY SCHOOL REPORT

Dr. James L. Sullivan and Dr. J.M. Crowe retired as president and executive vice-president of the Sunday School Board February 4, 1975. Gomer R. Lesch, Director of Public Relations of Sunday School Board, writes: "Dr. Sullivan and Dr. Crowe have been for the past twenty-two years a magnificent management team...Historians of the future will surely evaluate the 'Sullivan years' as momentous in terms of the beneficial impact of the Sunday School Board upon the achievements of the denomination..."

"Surely it has been providential that two strong leaders have been so effectively teamed for such significant service. Although both have suffered the tensions and frustrations inevitable in an enterprise such as the one they lead, never have such feelings been observable to the slightest degree as they have related to each other. They are Christian gentlemen in every sense, and have displayed this spiritual depth and breadth in every facet of their double decade of leadership of Southern Baptists' church education and publishing enterprise."

Dr. Sullivan writes: "As I sign off with my retirement as chief executive officer of the Sunday School Board...I wish my successor, Dr. Grady C. Cothen, the same love and prayers that you (Southern Baptists) have accorded me. These have been good and happy years. Even though they have been intense, they have been exceedingly rewarding. At times they were exhausting. Never have they been monotonous."

Dr. Crowe's successor is Dr. W.O. Thomason.

Last year's High Attendance Day on November 17 resulted in an attendance of 4,409,136, which is 660,000 more than an average Sunday's attendance in the SBC. Hopefully, this resulted in "adding members in Sunday School and church while locating many prospects for future growth."

Special Sunday School emphases for 1974-75 were People-to-People Reach Out (to help churches increase Sunday School enrollment and attendance), Associational Training School (to teach a new series of "working" book available Jan. 1975), Read the Bible Through in 1974-75, and Adult Emphasis.

On an Associational level, our primary emphasis was with Adult Sunday School work. Three Adult Leadership Clinics were conducted February 17 at Longhurst, Yanceyville and Somerset churches. The purpose of the clinics was to help equip adult leaders and workers to enlarge and improve Adult work in their Sunday Schools, to reach more Adults for Bible Study, to enlist and train workers, to provide needed materials, and to handle administrative matters wisely and efficiently. There were more than 130 leaders and workers attending the clinics. We hope the clinics proved to be beneficial to those attending.

It's been a joy to serve you this year! Call on your Associational Sunday School Director for any assistance needed.

Respectfully submitted,
Herman Absher, S.S. Dir.

EVANGELISM

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past 3-1/2 years, 12,774 youth and adults have shared in this lay witness training from 1,007 churches and 55 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools. Five other associations have planned Lay Evangelism Schools during the fall of 1975.

"Be Reconciled to God and Man" was the theme of the 29th State-wide Evangelism Conference at War Memorial Auditorium, Greensboro, February 3-5, 1975. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year. Without doubt, our Beulah Baptist Evangelism meeting at the Kirby Theatre was uplifting and inspirational. Dr. Scoggins and Rev. Grant did a superb job preaching and Mr. Ferguson with the music. Let me say thank you to each church, pastor, and person that made this such a success.

Remember to pray daily for the work of evangelism in all churches of our state, nation, and world.

All churches will receive Proclamation '76 Planning Calendar booklets for 1975-76 and other revival materials. Each association is encouraged to plan a Simultaneous Revival among churches during the spring (March or April) of 1976.

Respectfully submitted,
Tommy Wagner

MISSIONS COMMITTEE

The missions committee reports that $99.00 per month was received from State Missions for our Associational Missions Program for this year.

A continuing ministry has been in effect at Maple Heights Rest Home, at the Yanceyville Baptist Home and at the Person Memorial Annex. Also this year the missions committee sponsored the program "Adopt a Family" at Christmas. Of the fifteen families offered, twelve were adopted by various churches and civic groups.

Respectfully submitted,
Benjamin S. Gault, Jr.

ORDINATION COMMITTEE

During the past year the Ordination Committee held two meetings. The first meeting was to discuss and draw up the Guidelines for the Ordination Committee as requested by the Associational In-depth Study Committee. The Guidelines were drawn up by the chairman and presented to the Ordination Committee which recommended the guidelines to the In-depth Study Committee. The guidelines present an outline of calling the committee together, questioning the candidate and the committee's recommendation to the church.

The second meeting was called for the purpose of questioning Anthony Oakley for the ministry. This request came from the Roxboro Baptist Church. The Committee met on September 15 at the Clement Baptist Church and examined Anthony thoroughly. Following the examination of the candidate, the committee highly recommended to the Roxboro Baptist Church that it proceed with the ordination of Oakley.

Carroll Spivey

CHURCH TRAINING

No programs have been conducted in the Association Church Training Area this year. Letters were sent to Churches offering assistance if needed but no response was made.

Efforts have been made to set forth some of the duties of an Association Church Training Director that hopefully will be helpful to future Directors.

There is a desperate need for both the Director and the Churches to make a greater effort to train all members of all our churches to become better workers for the Lord. Church Training can be the answer.

Respectfully submitted,
Ernest L. Davis, Sr.
Church Training Director

WOMAN'S MISSIONARY UNION

Another year of the Woman's Missionary Union has come to an end. We rejoice because some things have shown progress but there is also remorse present as we have failed to take advantage of some of the opportunities given us by the Lord. We trust that there shall be opportunities for the Woman's Missionary Union to work with each of you on the local church level as this is where missions really begin. Please pray that God will use each member of our organization more effectively next year.

Respectfully submitted,
Mrs. Ben Gault

STATE, HOME, AND FOREIGN MISSION

The primary reason for the existance of our churches is Missions. Mission and evangelism are almost synonymous. For administrative purposes, we divide the Mission program of Southern Baptists into three major divisions: state, home, and foreign. There is no difference in importance or in the urgency of the mission work.

Our State Missions seek to evangelize our local state by working with the local Associations and local churches through its many divisions and ministries.

Our Home Mission Board, with some 2,200 missionaries, work throughout the continental United States seeking to establish new missions and churches in the pioneer areas.

Our Foreign Mission Board, with more than 2,500 missionaries; this includes missionary associates, journeymen, and medical missionaries seeking to evangelize the whole world. The budget for the Foreign Mission Board for 1974 was $42,425,284; the largest in its history.

Our Mission endeavor as Southern Baptists is quite a large undertaking, and yet, it is not large enough. This demands our primary concern, our prayers, and our resources. Our Mission program is largely supported by our Cooperative Program gifts. Each year there is a special offering for each of these divisions of our mission work, but the lifeline of each is still the Cooperative Program.

Respectfully submitted,
Alfred E. Staley

CHRISTIAN ACTION LEAGUE

The purpose of the Christian Action League is to put into action, through whatever channels are available, what we believe to be the teachings of the Scriptures on moral issues that we face as Christians in our land.

In Person County, as well as throughout North Carolina, this past year, we have been engaged in an effort to stop, as much as possible, the distribution, buying, and selling of pornography.

In our own Association, several pastors have appeared before the City Council about this matter while many Christians throughout our county have united in the signing of petitions that have been sent to the proper authorities in our stand against this evil.

Our prayer is that all Christians will be more active in helping to put into action the teachings of our Lord.

Respectfully submitted,
Marvin Suitt

ANNUITY BOARD

The Southern Baptist Convention Annuity Board has increased rapidly in the past few years in income and in disbursements for retirement and protection benefits. Increase continues in the number of pastors and other church-related vocational workers in the various retirement and protection plans.

In the Beulah Baptist Association about four out of five churches provide, or assist in providing, retirement plans for pastors and other employed persons. A large proportion of these include only Plan A, which covers the first four thousand dollars of salary. Plans B, and C are also available, which provide for payments on salary above the basic plan. By paying retirement dues on total salary instead of the original limit of four thousand dollars, better income for retirement years is provided. These payments can be made one-half by the church and one-half by the pastor, or the church may pay the entire amount, the same as in the basic plan. Promotion materials for some years now have urged churches to pay the full amount of all retirement plans on behalf of pastors and employed personnel.

The Annuity Board also offers assistance in the area of insurance and medical care. Currently there are offered package programs in Life Insurance, Disability, and Hospital-Medical and Surgical Insurance. There are various options. Churches, pastors, and staff members can obtain detailed information tailored to their needs by contacting the Annuity Board in Dallas, the Annuity Board Office of the North Carolina State Convention in Raleigh, or your Associational Annuity Representative.

L.H. Dawson

BAPTIST HOSPITAL

There have been many significant developments, in several different areas, at your Baptist Hospital during the past year.

By the time this report is read the new ambulatory care unit will be open, making possible enlarged and improved services for the Emergency Room, Out-Patient Clinics, Physical Therapy and other departments. Renovation of the West Wing will be complete and renovation on the South Wing will begin in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric services.

The long-awaited EMI-scanner is now in use and is already proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

A Family Practice Center opened July 1, 1975 to offer more primary medical care for patients and also to provide specialized training for physicians who choose to enter Family Practice.

During the year the hospital had its biennial review by the Joint Commission on Hospital Accreditation. All areas of operation received an excellent report, but physician service, nursing service and administration all received especially high commendation.

Despite the continued rise in costs for services and materials the hospital has been able to operate in the black. The administration and department heads confer frequently and make diligent effort to see that the hospital operates as efficiently and economically as possible.

Gifts from the Baptist churches have been very gratifying. During the calendar year of 1974 the hospital received $258,898 through the Cooperative Program and $392,000 through the Mother's Day Offering. Hospital staff members have participated in Cooperative Program promotion in cooperation with the State Convention Division of Stewardship and Cooperative Program Promotion.

The Department of Pastoral Care has opened a counseling center in Raleigh, its second satellite center. Plans are developing for a third satellite in the western part of the state. The Department has established a scholarship fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31. Full re-accreditation was given the School of Pastoral Care in December by the Association of Clinical Pastoral Education.

During the past year Mr. Reid T. Holmes retired as President of the hospital, after serving in the hospital administration for 29 years.

CHRISTIAN HIGHER EDUCATION

Baptist colleges in North Carolina see themselves as active participants in the Christian mission to share the Gospel of Jesus Christ with all the people everywhere. In addition to the important role of preparing future lay leaders for local churches, the colleges continue a strong emphasis upon ministerial and church-related vocational training.

In April of 1975, our seven colleges reported a total of 715 persons who were preparing for careers in church leadership. Southern Baptist seminaries listed an enrollment of 303 graduates of North Carolina Baptist colleges in the spring of 1975. A significant number of Baptist college trained persons serve in strategic posts with the Home and Foreign Mission Board, Baptist State Conventions and associational missions throughout the Southern Baptist State Convention.

CO-OPERATIVE PROGRAM VITAL TO COLLEGES

With the exception of what students pay, the Cooperative Program continues to be the largest single source of annual income from our colleges. It is accurate to say that the ministry of North Carolina Baptist Colleges, as we know it today, is the direct result of Cooperative Program support.

BAPTIST COLLEGE DAY

Another way the churches help to relieve the college's financial burden is through the annual offering on Father's Day. Designed for student aid, this offering gives much-needed assistance to many students from Baptist churches, making an education on a Christian college campus possible.

A PLEDGE AND A PLEA

North Carolina Baptist colleges are committed to Christian values and to an active partnership with their fellow-Baptists in evangelism, missions, education and social concern. Each of the colleges pledges to North Carolina Baptist young people that no qualified student will be turned away for purely financial reasons. Through grants, loans and work scholarships, an education is available for anyone who seriously seeks it.

BAPTIST CHILDREN'S HOMES

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. It was through the life, teaching and ministry of Christ and under the leadership of the Holy Spirit that North Carolina Baptists launched their child care ministry 90 years ago. Today it is

recognized as one of the outstanding ministries of its kind in the nation.

The lives of more than 3,700 people were affected in a significant way through the services of the Homes during the past year. Daily care and related services were provided 1,524 children. Of this number, 1,061 were in continuing programs while 463 received casework, counseling, and referral services. While we were caring for the children, a close working relationship was maintained with 2,178 adults in an effort to reestablish homes and strengthen family relationships.

New and exciting developments are in progress throughout the state. During the past year emergency shelters were opened in Charlotte and Forest City to meet the needs of children requiring immediate assistance. Both Broyhill Home and Mills Home will have a new cottage for children constructed during the next year. Progress is being made to expand facilities at Odum Home. Increasing numbers of families are opening hearts and homes for the care of foster children. All of these indicate a living, vital and growing ministry to people.

The award winning film, "The Mountain Within", meets with praise and appreciation wherever it is shown. It will continue to be available by request, either to the Communications Department of the Baptist State Convention or to the Children's Homes.

A cooperative mission requires that the parties involved have a clear, common purpose to which they are firmly committed, undergirded by mutual trust, and clear communications. These three factors characterize the relationships between the Baptists of North Carolina and their Children's Homes. Through the Cooperative Program and the Thanksgiving Offering, Baptists throughout the state can share a commitment to Christian child care. In response, the staff of the Children's Homes is committed to translate this support into a dynamic ministry of love and concern for children and families in need. With God's continued blessing we will move together to fulfill our mission.

Larry C. Hedrick

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

There has never been a year in the history of your Baptist Homes when more people have sought the services of the Homes. This has been true particularly of the aging sick person. Almost daily calls come from older persons, and their families, inquiring about admission to one of your five resident Homes and the Skilled Nursing Care Facility of the Homes.

Today there are some 21,000,000 Americans 65 and above, and this number, it is anticipated, will grow by over 300,000 a year in the years ahead. The needs of aging people are over-whelming, and we must strive diligently to meet those needs.

Although we can minister in our North Carolina Baptist Homes to only 230 persons at any given time, we have served hundreds of aging people through the twenty-four years that we have been on the scene at Resthaven, the Hayes Home, and the Nursing Care Unit, in Winston-Salem, and in our Homes at Albemarle, Hamilton, and Yanceyville. As God continues to bless us and lead us, we will make every effort to expand our ministry and to reach out and help as many older persons as possible in the years ahead. We can do this only by the grace of the Lord and by the increased concern and giving of our Baptist people.

Gifts for 1974-75 from our Baptist Churches, through the Cooperative Program and through the 3rd Sunday of February Offering for the Homes, reflect a very encouraging increase. This is great, and we are grateful especially since four out of evey five persons who live in our Homes depend upon these love gifts for their care! Your love gift is a life-line to these deserving older persons, and they could not be cared for in the majority of cases, if it were not for you.

Signs on the horizon indicate that we will need greater financial support for our Homes for the Aging from our Baptist people than ever before.

The most exciting development in the family of your Baptist Homes for the past year has been the experience of obtaining one of the most beautiful locations in the Blue Ridge Mountains of North Carolina for the proposed Western N.C. Baptist Home. This site is a twenty-one acre tract of land overlooking the city of Asheville, better known as the Pearson Estate, on Richmond Hill, in Northwest Asheville. God Himself, we feel, has guided us in discovering this beautiful site.

Pray for the ministry of your Baptist Homes for the Aging. Give as liberally as possible that the overwhelming needs of older people in our midst might be met more adequately. Visit the Homes and see first-hand the personal joy that your gifts bring. Know that your ministry to even one of these dear older people is a ministry as unto Christ Himself.

Billy Robertson

BIBLICAL RECORDER

Baptist State papers claimed more attention than usual at the 1975 meeting of the Southern Baptist Convention in Miami Beach this year. In the celebration of the 50th Anniversary of the Cooperative Program, it was revealed that they had played a tremendous part in the growth of our denomination. Louie D. Newton, denominational statesman and former editor of Georgia's Christian Index, introduced all the 33 editors of state papers and made a comparison of circulation of each in 1975 with that of 1925 when the Cooperative Program was born. Many were not in existence at that time, however, but this in itself reveals something of Southern Baptist growth.

In giving a special committee report on state papers, H. Franklin Paschall, pastor of First Church, Nashville, Tenn., reported that present circulation is 1-3/4 million and recommended that the convention reaffirm its goal of getting a state paper into two million Baptist homes by 1980. The committee recommended a vigorous campaign in all states to help accomplish this, and also recommended that state papers be incorporated in all local church budgets.

The BIBLICAL RECORDER is one of those 33 state papers, and one of the oldest, and we hope, one of the best. In spite of continued problems for religious publications because of inflation, and sky-rocketting postage costs, the circulation of the RECORDER remains above 112,000. Congregations including it in their budgets for all their families are the ones which have an informed membership. It is our hope that North Carolina Churches will take seriously the recommendation reaffirmed at the Southern Baptist Convention that state papers be incorporated in local church budgets for all their member families. Already more than 1,000 churches in North Carolina are doing this, and more congregations do so each year. Pastors and deacons should initiate such action, and it should be supported by all the organizations in the church.

The BIBLICAL RECORDER has covered many sensitive issues this past year. Words of appreciation have come from Baptist people all across the state, for they are aware that "an informed people is the bulwark of Baptist democracy".

The RECORDER continues to operate on a limited budget, and with an altogether too small staff. Local churches can help us by understanding these limitations, and by renewing their subscription plans promptly.

Ray K. Hodge, pastor of First Church, Kinston, says: "One of the easiest tasks I have had as pastor is to lead churches in include and keep the denominational paper in the church budget. It is such a bargain that trying to save a few dollars (by not subscribing to it for our families) is too costly. It would be like saving the expense of regular visits to the dentist, only to pay more in various ways later."

His advice is well taken.

Hassell Lamm, Sr.

IN-DEPTH STUDY COMMITTEE REPORT

Last year, during the annual meeting of our Association, it was recommended that each officer and committee study their task and formulate a written Job Description. They were to forward these to the In-Depth Study Committee for further study.

Several of our officers and committee chairmen, along with our Superintendent of Missions, did an excellent job in formulation of a written job description of their task. Much time was given to research before the reports were presented to the Study Committee. We're grateful, therefore, for the cooperation and work of all concerned.

Job descriptions were written for twenty-four (24) associational tasks. The end-result is a set of Guidelines for Associational Officers and Committees. For them to be implemented, some constitutional changes are necessary. These changes have been shared with the constitution committee and will be included in their report and recommendations.

With the belief that these guidelines, when used, will enhance and facilitate the work of our association, we make the following recommendation:

That our Associational Clerk be instructed to have these Guidelines for Associational Officers and Committees printed; and, that ample copies be given to each church, with copies to be maintained in the associational office for use each year as needed.

In-Depth Study Committee:
Herman Absher, Chairman
Ben Gault
